WORD OF THE DAY

Deportment

Definition:

1: the manner in which one conducts oneself: behavior

Did You Know

Deportment evolved from the verb de- deportare.) Deportment can simply refer Austin.

port, meaning "to behave especially in to one's demeanor, or it can refer to beaccord with a code," which in turn came havior formed by breeding or training and to us through Middle French from Latin often conforming to conventional rules of deportare, meaning "to carry away." (You propriety: "Are you not gratified that I am may also know deport as a verb meaning so rapidly gaining correct ideas of female "to send out of the country"; that sense is propriety and sedate deportment?" wrote newer and is derived directly from Latin 17-year-old Emily Dickinson to her brother

YOUR STAR TODAY

Aries

You've worked hard during the last few months and feel you deserve a break. This year you're likely to want to do something different from the norm, perhaps travel to a foreign land associated with a great spiritual tradition. You should feel closer to your loved ones and optimistic about the future. Enjoy!

Taurus

You're likely to feel physically, emotionally, and spiritually strong and ready to tap into your inner power. Dreams may make it possible to release old traumas and move ahead. Take heart from past success, continue as you are, and enjoy your day.

Gemini

You're good at dealing with others, but today you should be especially so. Your intuition is strong and you're likely to instinctively understand others' thoughts, feelings, needs, and desires. You give freely of your experience, knowledge, and understanding. This brings others closer to you, which can work for you on many levels. Social events may bring new friends.

Cancer

You generally are good at sizing up other people and sensing their thoughts and feelings, Cancer, but today that talent is greatly enhanced by increased intuition. You should be feeling especially enthusiastic and optimistic today. Physically, you should be healthy and vigorous, and spiritually you should be strong.

Leo

Communication with close friends and a romantic partner should be especially beneficial today, Leo, since you're feeling more in touch with those close to you. Children could also be a source of joy today. Your creativity and inspiration are strong, so this is a great day to start new projects.

Virgo

You should be feeling especially determined and confident about your future. Your plans have worked out well. You're feeling close to family, as your intuition level is high and you can sense what they're thinking and feeling. Career and relationships look promising. Enjoy!

Libra

Your communications could be subtler than words. Today you're probably feeling especially optimistic, enthusiastic, and very inspired by your circumstances. Continue on your path!

Scorpio

Today you may spend much of your time giving material form to your ideas. You're intuitive by nature, but today your psychic gifts are operating at a high level. Don't write off any insights you receive. Instead, write them down. Don't forget to keep paper and pen next to your bed. You'll want to remember your ideas and

Sagittarius

This is a time when you're likely to feel especially idealistic and hopeful. Your intuition is also strong. You might consider taking a trip to a distant state or foreign country, perhaps one associated with a great spiritual tradition. Wait a day or two and talk it over with friends before making any arrangements.

Capricorn

During this time, you'll feel especially intuitive, optimistic, and spiritually on a roll. Your relationships are probably going well. Your increased understanding of others' needs makes you generous with sympathy or assistance where needed. Enjoy your day.

Aquarius

Group activities that you attend today are likely to be spiritually oriented, such as group meditations. Though you're usually more intellectually inclined, today you should be feeling especially intuitive. Write down your thoughts and ideas lest you forget them. You may want to use them later.

Pisces

Some vivid and wonderful dreams might provide inspiration for future creative projects. Success in career and relationships is indicated. Don't be surprised if friends and colleagues line up for your support and guidance.
