January 14, 1989

British singer and member of the pop girl group The Saturdays alongside Vanessa White, Mollie King, Rochelle Wiseman, and Una Healy. She was also a member of S Club Juniors and has pursued a solo career.

DiCaprio to star in Charles Manson movie

Los Angeles **A**cademy Award-winning actor Leonardo DiCaprio's is in talks to star in the currently untitled project about American criminal Charles Manson and the Manson Family

murders directed by Quentin Tarantino.

The untitled project is based on the 1969 murder spree conducted by four members of the Manson Family, a cult led by Charles Manson.

The murders took place in the home of actress Sharon Tate, the wife of director

Roman Polanski, who was killed when she was eight months pregnant, alongside four others.

Charles and other members of his "family" were sentenced to life imprisonment in 1971. (IANS)

Cyrus' birthday message to Hemsworth

Brisbane **S**inger-actress Miley Cyrus, who is engaged to Liam Hemsworth, has wished "Happiest birthday" to the actor -- her "very best friend".

The "Malibu" singer took time out from her vacation in Hemsworth's native Australia to post a birthday message on Instagram on Friday, reports *people.com*.

"Happiest birthday to my very best friend on the entire planet!" Cyrus captioned the post, which featured three candid photographs of the couple cuddled up together.

Hemsworth turned 28 on Saturday and is celebrating his birthday on the Gold Coast, Queensland, where he and Cyrus are holidaying along with his parents.

The couple, who first began dating after meeting on the set of their 2009 movie "The Last Song", were seen soaking in the sun on Thursday, walking around hand-in-hand. (IANS)
