MAXWELL OBSESSED WITH GURIRA

New York

Singer Maxwell says he is obsessed with “Black Panther” star Danai Gurira.

“The woman I would want to wine and dine from the film is Danai Gurira, but she might be taken,” *pagesix.com* quoted Maxwell as saying.

“I used to watch her on ‘The Walking Dead’, so I do have a bit of an obsession with her -- and

we share the same barber, by the way, so it could actually work out.”

Gurira shaved her head to star in the movie.

When asked about women with that look, Maxwell said: “I don’t care. I just love women.”

“Danai is so bada. (IANS)

Lawrence wants to know this about Swift

Los Angeles

Actress Jennifer Lawrence wants to know whether model Karlie Kloss and singer Taylor Swift are still friends or not.

During a Q&A earlier this week to promote her new film “Red Sparrow”, the 27-year-old revealed that if she was a spy in real life, she would use her skills to figure out “what’s going on” between the two, reports *people.com*.

“I’d like to know what’s going on with Karlie Kloss and Taylor Swift, that’s the honest to God truth,” she said, joking that trying to figure out “what happened” is “keeping me up at night”.

Lawrence is likely referring to the fact that one month after Kloss was accused of dissing Swift by captioning an *Instagram* post with a Katy Perry lyric, the model was spotted hanging out with the swish” singer here. (IANS)

Haley Bennett is in negotiations to star in legendary mime artiste Marcel Marceau’s biopic ‘Resistance’.

Accordingly, if finalised, the ‘Girl on the Train’ actor will join Jesse Eisenberg, who will play Marceau in the project. German star Matthias Schweighofer is also in talks to star in the film directed by Jonathan Jakubowicz.

The movie follows the life of Marceau and his involvement in the French Resistance during WWII.

Bennett is vying for Emma’s character, a Resistance fighter who played a vital role in inspiring Marceau to join her in rescuing thousands of children and walking them out of France and into Switzerland. (PTI)
