How to play:

Place a number in the empty boxes in such a way that each row across, each column down and each 9-box square contains all of the numbers from one to nine.

Your star today

(Mar 21st - Apr 20th)

If you've been hesitant about whether you should go on a diet, this would be a great day to start. If you're one of those people who really doesn't have to watch what you eat, good for you! However, you should still stay away from rich foods. Don't drink too much alcohol, and stay away from a lot of chocolate.

(Apr 21st - May 21st)

If you don't feel that you make enough money, this is the time to do something about it. Are you sure you're doing everything you can to earn as much as possible? Perhaps you've wanted to change jobs for quite some time but something is holding you back. What do you think? Try to figure it out.

(May 22nd - Jun 21st)

Today you'll have a banker's precision. You will recheck everything from your expenses to your investments to your children's pocket money, not to mention how much you've paid back on your loans. Keep at it! This is the time to do it. Despite what others think, it's important.

(June 22nd - July 23rd)

Do you wonder whether other people are attracted to you? If you'd like to reassure yourself, you could work on your outward appearance today. You may have an inclination to change something, but you don't have to overdo it. The energy of the day is about adding one special touch that makes all the difference when combined with your natural charm.

(July 24th - Aug 23rd)

You're probably looking for new objectives in your career and personal life. Today you'll get the opportunity to share some dynamic ideas with new people. If you can, you should try to set up regular meetings with them. This could be your new group for brainstorming. These new friendships could be very productive in terms of personal fulfillment.

(Aug 24th - Sep 23rd)

This will be a great day for you! Your children, grandchildren, or siblings may have a lot of excess energy. It's up to you to take care of them. It's your turn to plan things in the family. You won't have any trouble with this task. Have you ever thought about being a planner or organizer for a living?

(Sep 24th - Oct 23rd)

A wonderful day lies ahead. Life is giving you more space and freedom at the moment. You could take advantage of this space to do something with your creativity. It's the perfect time to sign up for some art classes or just begin something on your own, like singing, painting, or writing. What would you like to do? Do it!

(Oct 24th - Nov 22nd)

Do you feel like you're in a video game and about to get eaten by a monster? Today you should try a new game - avoiding stress! Whether this concerns your career or personal life, you need to find some neutral territory where you can relax. How about going to a friend's house?

(Nov 23rd - Dec 21st)

After a few days of moving in slow motion, today you will get back all of your energy. Your instincts will be excellent and draw you to the people who can help you. It might be an excellent day to write any reports - or even your memoirs. Don't be afraid to grab a pen and paper - you will be wonderfully prolific!

(Dec 22nd - Jan 20th)

If you've encountered a lot of resistance on some of your projects, you should probably let them go. It's possible that you're still doing something a certain way even though your goals have changed. All you used to think about was getting ahead in your career. Is that what you still want? Think about it.

(Jan 21st - Feb 19th)

The planetary positions are telling you to watch what you eat. Why don't you think about eating more fruit? Buy the nicest fruit you can find and really be good to yourself. What you do for your body will bring great benefits in a week or two. It's time to get a lot of sleep, too.

(Feb 20th - Mar 20th)

What a perfect day to go to a spa, get a massage, or enjoy a sauna. You've accumulated a lot of tension and stress lately, and you may have had a hard time trying to calm down. You need some peace and quiet. Don't even pick up a newspaper. Try not to even think! Just tune out and take care of yourself.
