How to play:
Place a number in the empty boxes in such a way that each row across, each column down and each 9-box square contains all of the numbers from one to nine.

You may have been worrying about something you did recently that you aren't very proud of. Today you'll discover that all that worrying was for nothing. The reality you've been trying to run away from lately that it isn't so bad forll.

Not all friendships are
Not all friendships are the same. You may have learned that the hard way, but that's OK. Today you could feel like putting your friendships in some kind of order and getting a bit of perspective on things. It's time to figure which of your friends are there when you need them, which of them show how much they care about you, and which ones do not Not only do you want to live life to the fullest every second, you also feel the need to leave your special mark on the world you live in. You just have to be creative in life. You can't help it. That great project you've been thinking about for a while is just beginning to take shape. Today you may find some of the materials you needed to really get things going!
Your mind is in a period of great activity, and your curiosity about the world around you is practically insatiable. You're interested in anything and everything. You want to be able to understand everything from the simplest in the way of your thirst for knowledge.

It's very difficult for you to reconcile your desire for creativity and originality in your life to the constraints that society puts on you to be an efficient, productive person. This is one of the great dilemmas facing a lot of people these days. It's as if you have to hide your real personality in order to live up to what other people expect of you.
(Aug 24th - Sep 23rd)

You seem to have a lot of resentment toward someone who may have hurt you. Don't keep these feelings inside or they'll eat away at you. Take advantage of your day today to put revenge cards on the table and forget about Instead, why don't you try to reach out to that person and explain your feelings to him or her?
(Sep 24th - Oct 23rd) Today you may feel like your ivory tower and watching the performance your ivory tower and watching the performance that is going on before your eyes. And why not, if this allows you to get the perspective you need on things? Use this period to give things fit into your world. You're a very lucky person to be able to find this kind of balance in your life.

Have you been wanting to talk to your partner Have you been wanting to talk to your partner
about something important? Well, it's up to you to make the first move. In fact, that's just what your partner is waiting for you to do. Take advantage of your day today to tell your partner exactly what you expect from him or her and to share some of your worries. You're someone who is lucky enough to know what you want.

You enjoy your freedom. You're a very (Nov 23rd-Dec 21st) independent person and you hate it when anything gets in your way. That's all right, but you may want to take a look at your financial situation even if that's not really your thing. You tend to resent having to deal with these lowly material questions, but if you don't, you could severely restrict your freedom to live life to its fullest. Be reasonable about things.
(Dec 22nd- Jan 20th) Today is a good day to take chances, . You may
 be quite successful if you're ready to defend you're the director of a film and that you've you're the director of a film and that you've You just happen to have your script in hand. Are you ready to move up in the world? Are you ready for success?

## (Jan 21st - Feb 19th)

(Feb 20th - Mar 20th
You have a kind of creativity that knows no bounds today, and a kind of originality that knows no limits. How are you going to go about inside of this rich creativity that abounds allow you to express this creativity, change environments and try to make a new reality for yourself.

This is an ideal day to take a look at your This is an ideal day to take a look at your
financial situation, so get out your bank statements or dividend reports. Try and pretend that you're with your banker and describing your situation as objectively as possible, without overestimating what you bring in or underestimating what you spend. You won't regret this process.
