(Oct 24th - Nov 22nd) Light is being shed on cold hard facts that you

(Dec 22nd- Jan 20th)

(Jan 21st - Feb 19th)

This is a terrific day for you, and you will find that things are going your way in general. You current position in erder to harmonise with current position in order to harmonise with are on centre stage. People are turning to you are on centre stage. People are turning to you
for answers and opinions. Your will is strong and your mental acumen is keen.
(Feb 20th - Mar 20th) The events of the day are likely to be erratic and Pases

Your interest will be sparked by a new gadget or electrical appliance. Don't be surprised if a salesman shows up at your door trying to sell your new vacuum cleaner or slices-anything things. Be careful of buying into a sales-pitch that does not pertain to you.

You may feel as if no one is listening to you. Perhaps people may be hearing you on one what th superficial level in which they have much deeper concerns and very sensitive and powerful emotions that need to be heard and understood. Be more open and direct when it comes to making these needs known.
You should be flying high as a kite as you interact with many different people and come You are the others on many different levels. convince someone into buying a down jacket in the summertime. You can win everyone over to your side of the argument. Use these powers for good; do not take advantage of others.
You may be feeling a bit emotionally detached today, making it hard for you to connect with anyone on a truly intimate level. You have into whatever project you are working on because you feel cool about it. Do not try to force enthusiasm on the scene if you don't feel it coming naturally.
Put an end to the ego trip and stop assuming that you know the best course of action for everyone else. Trying to control others will only leave you frustrated. Encourage common goals and cooperative efforts, but don't give people guilt trips for not taking the road that you think would be best for them.

Although you have the whole day very mapped out in your head in terms of what is going to happen at what time, things are definitely Unexpected develop in that exact make sure to allow time for the unknown. Go with the flow of whatever comes your way instead of becoming frustrated.
Things are in your favour, and you will find that communication is the name of the game. Information will be flowing fast and furiously, and you stand to gain quite a bit from the are like a pair of antenna above your head waiting to pick up on the latest trends and gossip. You are the one people will turn to when they need an honest and fair opinion. may have been trying to avoid for quite some you do not see the truth that is staring you square in the face. Just because you may not want to accept what you see doesn't mean that you can carry on with the belief that it simply does not exist.

Opportunities exist in the cracks, so don't count on looking in the most obvious places. The dreams you are searching for are found in the the unexpected. The chance of a lifetime may come rolling around the corner at any minute, so be prepared to take a trip to a place you may never have thought of visiting before.
You may be frustrated because you are not fitting in to a particular situation the way you might like to. You may be very you believe in, but as soon as you enter a group situation, your point of view is shot down, misunderstood, or ignored completely, Don't give up. Be persistent about the things Dou feel strong Be persistent about the things you feel strongly about. What you think may be the most logical outcome for the situation at hand is probably the least likely to happen. Don't get down on yourself because of this. Let events flow as they will, and do not judge them one way or another.
