February fuel prices approved

TDT | Manama

The Fuel Price Determination and Monitoring Committee at the Ministry of Oil and Environment announced the approved fuel prices for the local market in the Kingdom of Bahrain for the month of February 2026, effective today.

According to the decision, the price of Super (98) gasoline has been set at BDO.265 per liter, Premium (95) gasoline at BDO.235 per liter, and Good (91) gasoline at BDO.218 per liter.

Diesel fuel is priced at BDO.200 per liter, with continued support provided to Bahraini fishermen as part of ongoing efforts to support vital sectors and enhance the sustainability of activities related to food security.

The announcement comes as part of the Committee's periodic monitoring of fuel prices in response to global energy market changes.

The decision aims to strike a balance between meeting local market needs and maintaining economic stability, in coordination with the Ministry of Oil and Environment and relevant authorities.

Causeway toll fees updated

TDT | Manama

The King Fahd Causeway Authority has announced an update to toll fees, effective February 18, 2026.

The move comes as part of ongoing efforts to enhance services and improve the crossing experience for travelers between the Kingdom of Bahrain and the Kingdom of Saudi Arabia.

According to details shared via the authority's official X account, one-way tolls will be 35 riyals for cars and motorcycles, 55 riyals for minibuses, 70 riyals for large buses, and 7 riyals per ton for trucks.

The authority confirmed that fees for people with disabilities, students, and frequent daily travelers will remain unchanged.

Bridge users are encouraged to utilise the available digital services and to follow official channels for the latest updates on crossing procedures and toll fees.
