

High-octane karting round delivers thrilling action at BIKC

Rotax MAX karters step up intense battles as second half of season gets underway

Rashid Almahroos, Rayyan Najjar, Shaikh Ahmed bin Saqr Al Khalifa, Rashid Hilal, and Abdulqader Qasem take victories in respective MAX classes

Manama

The Bahrain Rotax MAX Challenge (BRMC) kicked off the second half of its 2025/2026 season over the weekend with an exciting fifth round at Bahrain International Karting Circuit (BIKC) in Sakhir.

Rashid Almahroos, Rayyan Najjar, Shaikh Ahmed bin Saqr Al Khalifa, Rashid Hilal, and Abdulqader Qasem were all triumphant in their respective competition categories.

The meeting featured plenty of high-octane, wheel-to-wheel battles along BIKC's 1.414-kilometre CIK-FIA track as the fight for wins, podiums, and cham-

ionship points continued to intensify.

The BRMC is the Kingdom's premier national karting championship, and it features competitors of various ages and nationalities racing in their very own Rotax-powered machinery.

The championship is organised and run by Bahrain International Circuit and BIKC in cooperation with the Bahrain Motor Federation and Bahrain Karting Commission.

Rashid took his victory in the Micro MAX category. Enzo Younes started the day strong by topping the practice timesheet, but Rashid took pole position in qualifying and charged to the victory in the pre-final. He then won the nine-lap final from pole in a total race time of nine minutes 14.157 seconds. Enzo followed 2.937s behind the runner-up, while Sami Albandak came third 7.773s from first place.

Rayyan captured his win in the Mini MAX class. Faisal Alnajjar was the pace-setter in practice

and he also took pole in qualifying. But in the pre-final, Rayyan emerged victorious, and then he led the final from start to finish to take the chequered flag in 8:52.810 after nine laps. Leo Saruhan followed 0.248s back, while Faisal came third 0.363s adrift.

Amongst the Junior MAX fleet, Shaikh Ahmed claimed the all-important win. Jude Andrews began the meeting by outpacing Shaikh Ahmed by a mere 0.005s in practice, but Shaikh Ahmed powered to the top in qualifying and the pre-final. He then rode his momentum into the 15-lap final where he secured a pole-to-flag victory in 13:45.907.

Leopold Juch came second 0.148s from the victor, while Ryan Suckling rounded out the podium 8.129s behind.

In a tight Senior MAX final, Hilal inherited the victory despite finishing fifth on the road after 15 laps, with all four drivers ahead of him being handed post-race penalties.

In the DD2 MAX class, Rakan Alfayez led practice and Abdulla Sajjad took pole in qualifying, but Qasem took charge in the pre-final. He went on to win the final from pole in 13:17.436 after 15 laps, followed by Alfayez 0.232s behind and Mohammed Sajjad with a 14.030s gap.

After all the action, the winners and other top-three placers were presented their respective trophies in the podium ceremonies.

The BRMC features a total of eight rounds in its 2025/2026 calendar. Round six is scheduled for 13 February, and then the seventh and penultimate meeting will then be held on 28 March. That will pave the way for the championship finale, slated for 18 April at BIKC.

Luca Houghton had led practice and qualifying before Khaled Najjar won the pre-final. But in the decisive stage, and with the Senior MAX class featuring a packed 17-karter grid, the order was jumbled in the first few laps and a series of penalties were later issued by the stewards.

Hilal was eventually promoted

to first with a winning time of 13:35.763, while his fellow-podium finishers Yousef Alaali and Mohammed Hilal also benefited from the penalties. Alaali was classified second overall 0.520s behind Rashid Hilal after finishing eighth on the road, while Mohammed Hilal rose to third 1.680s back after originally taking ninth.

Ebrahim K Kanoo Drag and Drift Nights to bring twice the thrills to BIC today

Manama

The latest edition of the widely popular Ebrahim K Kanoo Drag and Drift Nights takes place today at Bahrain International Circuit (BIC) in Sakhir.

'The Home of Motorsport in the Middle East' will once again be a hive of activity with action set to be held both along BIC's world-class, quarter-mile drag strip and at the circuit's vast vehicle dynamics area.

Ebrahim K Kanoo Drag and Drift Nights is a fan-favourite experience that features two of the most popular and adrenaline-pumping forms of motorsport today, and participants will be able to take part in their very own cars or motorbikes.

Speed enthusiasts can push their vehicles to their limit either down the BIC strip or around the vehicle dynamics area. There is

also the option to do both, making for a fantastic double-header over a single evening's activity.

Today's Ebrahim K Kanoo Drag and Drift Nights is scheduled to take place from 5pm to

Both the drag racing and the drifting can be done for a single fee of BD11. Participation in just the drag racing or just the drifting costs BD8.

Bookings can be made online at BIC's official website bahraingp.com or by calling the BIC Hotline on +973-17450000.

Those who would like to experience the drag or the drift as a

passenger can get into a participant's car for an additional fee of BD4.500. Registration for those wishing to join can be done on site. Spectators who would like to attend and watch the action in

the Ebrahim K Kanoo Drag and Drift Nights can also purchase their tickets online at BD2 apiece at bahraingp.com.

The BIC drag strip is highly regarded as one of the best in the world, and it is a part of the prestigious NHRA Worldwide Network of the US-based National Hot Rod Association (NHRA).

BIC's vehicle dynamics area features a specially configured layout for drifters. It is surrounded by safety barriers and is one of the largest open tarmac areas in Bahrain, ideal for an amazing display of power sliding within a secure environment.
