

**His Royal Highness the Crown Prince, Deputy Supreme Commander of the Armed Forces and Prime Minister, visits the General Headquarters of the Bahrain Defence Force**

High praise was expressed for the strong sense of patriotism and responsibility demonstrated by the personnel of the Bahrain Defence Force in confronting all challenges and developments, embodying the highest standards of dedication and selfless service in the performance of national duty, and in safeguarding the security and stability of the Kingdom of Bahrain.

**His Excellency Field Marshal Staff Shaikh Khalifa bin Ahmed Al Khalifa, Commander-in-Chief of the Bahrain Defence Force, during his patronage of the “Eye of the Falcon/3” Exercise**

•Satisfaction was expressed with the effective achievement of the intended objectives, made possible through the cooperation and cohesion among the participating forces, which played a vital role in enhancing military efficiency and elevating combat readiness.

•Pride was also expressed in the commendable level demonstrated by participants from the various branches and units of the Bahrain Defence Force during the execution of the exercise, marked by efficiency and professionalism.

**His Excellency Lieutenant General Abdullah bin Hassan Al Nuaimi, Minister of Defence Affairs, attended the graduation ceremony of the Twelfth Foundational Judicial Course of the Military Judiciary**

which was attended by a number of officers affiliated with the military judicial and legal bodies of the brotherly countries «Kingdom of Saudi Arabia, Sultanate of Oman, and State of Kuwait» in addition to the participation of a number of officers from the military and security entities of the Kingdom of Bahrain.

**His Highness Lieutenant General Shaikh Nasser bin Hamad Al Khalifa, National Security Advisor and Commander of the Royal Guard, patronizes the joint aerial exercise “Jund Al-Samaa/2”**

The exercises simulated realistic operational conditions and reaffirmed the course pursued by the participating entities to achieve the intended objectives of the exercises, through enhancing the readiness of the participating branches and units. The applications included interception missions, air support, search and rescue operations, and the execution of various defensive operations, thereby contributing to the refinement of military capabilities and the enrichment of the participants’ field experience.

Under the patronage of His Highness Shaikh Khalid bin Hamad Al Khalifa, First Deputy Chairman of the Supreme Council for Youth and Sports, President of the General Sports Authority, and President of the Bahrain Olympic Committee, the Pediatric Hematology and Oncology Treatment Department was inaugurated at the Royal Medical Services – Bahrain Oncology Center.

•The Royal Medical Services recorded the treatment of one million patients across all its affiliated hospitals and medical centers during the year 2025.

•The Royal Medical Services – Military Hospital carried out approximately 200 surgical procedures using robotic surgery technologies.

•The Royal Medical Services – King Hamad University Hospital performed 85 living-donor transplant procedures, including 21 liver transplants and 65 kidney transplants.

•The Royal Medical Services – Shaikh Mohammed bin Khalifa bin Salman Al Khalifa Specialized Cardiac Center successfully treated 1,000 cases, in addition to 3,500 procedures conducted by the Cardiac Catheterization Laboratory.

**His Royal Highness the Crown Prince, Deputy Supreme Commander of the Armed Forces and Prime Minister, patronized the inauguration ceremony of the Joint Command Center at Ras Al Bar Camp, established through cooperation between the Bahrain Defence Force and the United States Central Command**

Bahraini/American relations have reached advanced levels of cooperation and joint coordination, underpinned by the solid strategic agreements and partnerships that unite the two friendly countries, including the Comprehensive Security Integration and Prosperity Agreement. Emphasis was placed on the importance of continuing to build upon the fruitful cooperation achieved between the two friendly nations across various fields, particularly in the military and defence domains.

High appreciation was also expressed for the mutual commitment and shared interest that characterize relations between the Kingdom of Bahrain and the United States, with a view to further developing these ties and advancing them toward broader and more sophisticated horizons in support of shared aspirations.

**His Excellency the Commander-in-Chief of the Bahrain Defence Force honors the units that secured first place in the 2025 Combat Readiness Tests**

•His Excellency conveyed to them the congratulations, greetings, and appreciation of His Majesty the King of the Kingdom of Bahrain and Supreme Commander of the Armed Forces to the units that secured first place, along with His Majesty’s commendation of the duties and roles they have undertaken in both operational and peacetime contexts, and their continued commitment to maintaining this distinguished standard in raising the level of combat readiness of the Bahrain Defence Force across various fields.

•It was emphasized that, embodying the enlightened visions and in implementation of the supreme directives, the branches and units of the Bahrain Defence Force have attained the highest and most comprehensive levels of advanced combat readiness aspired to.

**His Excellency Lieutenant General Dhiab bin Saqr Al Nuaimi, Chief of Staff of the Bahrain Defence Force, attended the graduation ceremony of the Seventeenth Joint Command and Staff Course**

The Royal College of Command, Staff and National Defence represents a qualitative milestone in the professional journey of officers, fostering leadership, planning, and joint operations skills through its advanced programmes and distinguished academic faculty.

The course outcomes encompassed strategic knowledge and planning, the enhancement of leadership and management capabilities, the analysis of military planning concepts, and the principles of joint operations and their defensive dimensions, preparing graduates to serve as pioneers in the fields of military leadership.

**His Highness the National Security Advisor and Commander of the Royal Guard during the National Defence and Security Forum**

The convening of this forum “the first of its kind at the Kingdom level” aims to facilitate the exchange of perspectives and concepts to preserve and strengthen ongoing strategic integration efforts among all relevant military and security sectors. This is grounded in the supreme royal vision and its firm belief in the continued pursuit of joint action to empower the defence framework and enhance security in its comprehensive sense.
