

Bahrain Defence Force (BDF) Commander-in-Chief Field Marshal Shaikh Khalifa bin Ahmed Al Khalifa during an inspection visit to a BDF unit. Shaikh Khalifa reviewed training facilities and military systems and praised the BDF staff for their work and patriotic duty. The Commander-in-Chief expressed pride in the commitment of the BDF staff in serving the nation. He stressed the importance of giving combat and administrative readiness full attention while keeping pace with development plans.

BDF Chief-of-Staff Lieutenant-General Theyab bin Saqr Al Nuaimi, receiving at his office at the General Command Bahrain Brigadier General Mohammed Ali Al Samadi, the military attache at the Embassy of Jordan. The Chief of Staff expressed his appreciation of the role the attache plays in strengthening the military cooperation between the two brotherly countries. Discussions focused on defence cooperation. Major General Dr Youssef Rashid Fleifel, the Chief of the Military Judiciary, and President of the Military Court of Cassation, was present.

The Ambassador of Bahrain to Saudi Arabia, Shaikh Hmoud bin Abdullah Al Khalifa, in the presence of OIC Secretary-General, Dr Yusuf bin Ahmed Al-Othaimen, signed the Articles of the OIC's Women Development Organisation. Shaikh Hmoud said the signing represents an important achievement for Bahrain in supporting and empowering women.

Lieutenant General Tariq bin Hassan al-Hassan, Head of Public Security, with Brigadier General Ahmed bin Saleh Lahoub, the Military Attache of the Embassy of Yemen to Bahrain. During the meeting, they reviewed the existing bilateral relations between the two brotherly countries and areas of security cooperation and coordination, in addition to issues of common interest.

The Director-General of the Southern District Municipality, Asim Abd Al-Latif Abdullah, during a field visit to Horat Sanad to learn about the service needs of the people there. Municipal Council members, representative of the Fourth District, Omar Abdul-Rahman Abdullah, and several employees and specialists in the municipality were present. The director-general listened to citizens' needs and complaints regarding services provided to them. He also reviewed the progress of services related to cleaning, intensifying the green area, and other new facilities. Municipals officials also took legal actions against several violations detected during the tour.

Health Undersecretary Dr Waleed Khalifa Al Manea, during a field visit to Al Aali field centre. The facility functions as an "optional home quarantine" facility and quarantine centre for children and women. Al Manea toured the facilities and hailed the efficiency and determination with which the health workers are fighting the pandemic. Asymptomatic active COVID-19 patients have the option to self-isolate at home from 07 June 2020, where positive patients reach the Shamel Field Hospital for triaging and assessment.

The northern municipality announced holding a campaign to remove advertisements placed illegally there. Officials removed 35 advertisement boards placed without necessary license from Sadad, Al-Malikiyah, Karzakan, Damistan, Hamala, Al-Jisra, and Al-Janabiyah regions. The move is as per law Law No. 14 of 1973 concerning the Organisation of Advertising. Accordingly, it is not permitted to advertise without obtaining an advertisement permit from the Ministry of Works, Municipalities Affairs and Urban planning.
