

**Health Cooperation Discussed Between Bahrain and China**

Dr. Ahmed Mohammed Al-Ansari, CEO of the National Health Regulatory Authority (NHRA), received H.E. Mr. Ni Ruoqi, the Ambassador of the People's Republic of China to the Kingdom of Bahrain. Dr. Al-Ansari welcomed the Ambassador, emphasizing the deep and continuously developing bilateral cooperation between Bahrain and China across various fields. The meeting focused on discussing ways to enhance cooperation between the two friendly nations. They also reviewed and exchanged experiences in the areas of health regulation and control, aiming to support efforts to improve the quality and efficiency of health services in both countries.

**Delmon Poultry Honors Female Employees on Bahraini Women's Day**

Delmon Poultry Company celebrated Bahraini Women's Day to recognize women's crucial role in supporting the Kingdom's economic and social development. The company honored female employees from various departments, acknowledging their dedicated efforts in enhancing performance and achieving company goals. The celebration reaffirmed Delmon Poultry's commitment to providing a stimulating and inclusive work environment. Mr. Abdulhadi Mirza, CEO, stated that Bahraini women are a cornerstone of success, and the company is proud of its female employees who exemplify dedication and creativity. He emphasized that this recognition reflects their ongoing commitment to supporting and empowering women.

**College Trip Highlights Bahraini Heritage**

Bahrain University College organized a trip to the Al Jasra Handicrafts Center to promote Bahraini identity and connect students with their national heritage. During the visit, students explored various traditional crafts for which Bahrain is famous, including pottery, weaving, palm frond crafts, basket making, and carpentry. They observed skilled artisans at work, learning about the history of these practices and their role in shaping Bahraini society. This unique opportunity allowed students to appreciate the value of local heritage and understand the efforts made to preserve cultural traditions. The experience, which combined knowledge and practical observation, significantly enriched their cultural understanding.

**Bahrain Polytechnic Celebrates Bahraini Women's Day**

Bahrain Polytechnic celebrated Bahraini Women's Day under the theme: "Bahraini Women: Excellence, Creativity, Innovation." The event was attended by CEO Professor Kieran O' Cahoon, Deputy CEO Dr. Rawya Khalifa Al-Mannai, and numerous officials and employees. The celebration also featured special guests: Ms. Hala Sulaiman, Director of the Executive Office of the National Plan (Our Bahrain), and Hajar Al-Fadhala, an expert in heritage, who shared inspiring insights on women's advancement, creativity, innovation, and excellence.

**Joz Group Celebrates 90 Years of Excellence and Unity**

Joz Group W.L.L. hosted its Annual Party at The Great Kabab Factory in Saar, uniting employees, management, and guests for an evening of celebration and recognition. The highly anticipated event marked 90 years of outstanding accomplishments, innovation, and growth. The festive program included a warm welcome, dynamic entertainment, and special acknowledgments. A major highlight was the tribute to the company's founder, Mr. Mohammed Joz, celebrating his enduring legacy and vision. The celebration continued with a ceremonial cake cutting, symbolizing gratitude for past successes and excitement for upcoming milestones.

**BUB Team Shines in AI GameDay Challenge**

The British University in Bahrain (BUB) team secured third place in the challenging AI GameDay competition, showcasing the students' excellence and creativity. This interactive event tested participants' skills in artificial intelligence, cloud computing, and solving real-world problems under intense pressure. The challenge was officially supported and sponsored by Amazon Web Services (AWS) and the United Nations Development Programme (UNDP). The competition provided BUB students with a valuable opportunity to gain practical experience, significantly enhancing their digital and technical abilities. This victory highlights the students' strong commitment, creativity, and outstanding performance against strong competition.
