

## Chinese Ambassador visits BNET, explores unified Telecommunications Network

TDT | Manama

Ni Ruchi, the Chinese Ambassador to Bahrain paid a visit to Bahrain Network (BNET) headquarter in Hamala on Wednesday and reviewed its progress and achievements in the implementation of the national telecommunications objectives.

BNET's CEO, Ahmed Jaber Aldoseri, and executive management briefed the envoy and his delegation on the expansion of fibre coverage, the deployment of 5G networks, connectivity to international cable systems, and other wholesale communications services meeting international standards.

During the meeting, BNET showcased its achievements, including extensive fibre coverage across Bahrain, strategic partnerships, and provided a tour of its Service Management Centre and Network Operations Centre. Ni Ruchi emphasised the importance of strengthening cooperation, particularly

Ni Ruchi, the Chinese Ambassador, during a visit to Bahrain Network (BNET) headquarters' in Hamala

in the field of information and communications technologies.

Aldoseri commented, "We are honoured by His Excellency the Ambassador's visit, which allowed the Ambassador to learn more about BNET's strategy, achievements, and future goals

that revolves around harnessing our capabilities to provide a reliable and supportive infrastructure to establish a smart and secure communications network in the Kingdom of Bahrain."

Bahrain's unique model of establishing a separate entity for

communications infrastructure has gained international recognition, attracting delegations from various countries who visit BNET to learn about its experience and policies in managing the national telecommunications network.

## Batelco celebrates 20th Anniversary of Al Dana Club

In pictures, the celebration held at the Four Seasons hotel, Manama

TDT | Manama

Batelco, part of the Beyon Group, celebrated the 20th anniversary of Al Dana Club, Batelco's exclusive invitation-based customer relationship programme for residential customers.

Al Dana Club has been in operation since 2003 and has grown considerably over the years. The club includes exclusive services, promotions and rewards, and Batelco regularly enriches the programme to ensure delivery of first-class customer experience.

To mark the anniversary, Batelco organised a networking dinner for Al Dana Club members.

The event at the Four Seasons hotel, Manama, on Wednesday and was attended by guests as well as members of Batelco's executive team.

Batelco Chief Operating Officer, Maitham Abdulla, thanked customers for their trust and confidence in Batelco, while stressing on Batelco's commitment to further enhance and elevate their overall experience and promising them more special benefits to come.
