plans, potentially saving over BD 100, available exclusively through Zain App for a seamless digital experience. The offer includes flexible 12-month installment payments billed through Zain postpaid

account, ensuring convenience, along with enhanced benefits such as 5 years agency repair, 10-day replacement car, road assistance across Bahrain and the GCC, car windshield coverage, VIP.

Zain Insure offers unmatched value and ease, with the entire insurance process completed in just two minutes. Customers are encouraged to take advantage of this exclu-

sive December offer and secure unmatched motor insurance value before the promotion ends. The service is also available to non-Zain customers through the Zain App at standard rates.

Benefit participates in Credit Conference ‘Empowering Vision, Enabling Decision’ in Kuwait

Manama

BENEFIT, the Kingdom's innovator and leading company in Fintech and electronic financial transactions service operating the Bahrain Credit Reference Bureau, took part in the Credit Conference organized by the Kuwait Credit Information Network Company (CINET) at the Sheikh Jaber Al Ahmad Cultural Centre in Kuwait. The conference was held under the theme “Empowering Vision, Enabling Decision” with the participation of members of the Arab Committee on Credit Information under the Arab Monetary Fund. The event brought together representatives from Arab central banks, chief executives of regional

credit bureaus, and senior leaders from the finance, technology, telecommunications, and real estate sectors. Benefit's participation reflected its prominent position as one of the region's foremost FinTech institutions in the development of credit information systems. It also highlighted the distinguished standing of the Bahrain Credit Reference Bureau, which is operated by Benefit and recognized for its role in supporting the credit ecosystem and advancing the financial sector at regional and international levels, as Benefit continues to introduce innovative digital solutions that enhance transparency and assist institutions in making well-informed decisions. During the conference, Mrs. Latifa AlMutawa Assistant General Manager -Bahrain Credit Reference Bureau, de-

livered a presentation titled “Instant Credit Approval: Speed, Simplicity and Smarter Lending through Digital Credit Solutions”. Her presentation explored the role of instant credit solutions in accelerating financial decision-making processes, elevating customer experience, reducing risk, and strengthening the competitiveness of financial and banking institutions through the adoption of data-driven and analytically advanced models. In a related session, Mr. Mohammed Audeh, Data Scientist Officer at the Bahrain Credit Reference Bureau, presented Benefit's experience in adopting cloud-based solutions within the credit information and FinTech sector. His discussion addressed the strategic advantages of cloud technologies, including improved operational effi-

ciency and enhanced cybersecurity levels, enabling institutions to grow, expand and adapt to rapid market developments. Leading the Bahraini delegate, Ms. Hessa Hussain, Deputy Chief Executive, Bahrain Credit Reference Bureau & Data Service comment: “We are truly honored to participate in this distinguished conference, which provided an invaluable platform to share Bahrain's experience and Benefit's journey in digital credit innovation. Benefit's participation in the Credit Conference reflects our ongoing commitment to advancing digital credit solutions and supporting the financial sector's growth in Bahrain and the region. By leveraging innovative technologies and data-driven approaches, we continue to empower institutions to make faster, more ac-

curate lending decisions, ultimately enhancing customer experience and sector efficiency.” Commenting on Benefit's participation, Mrs. Latifa AlMutawa stated: “We are pleased to take part in the Credit Conference, which provided an important platform to showcase Bahrain's successful experience in instant credit approval and to highlight Benefit's role in developing digital solutions that rely on credit information to enhance the speed and accuracy of lending decisions. The conference also offered valuable opportunities to exchange expertise and discuss mechanisms to improve customer experience through automation and instant verification, contributing to a more efficient financial sector capable of delivering faster and more secure services.”

CLAW BBQ Bahrain to Open December 14 at Hilton Bahrain

Energetic Southern-style American comfort food, entertainment & unmatched skyline views debut with a biker parade kick-off

Manama

Hilton Bahrain has officially announced that CLAW BBQ, the well-known Southern-style BBQ, grill and crabshack brand, will open on December 14 on the hotel's 44th floor in Juffair. The brand, which has built a strong following in Dubai, Ras Al Khaimah and Doha, is poised to become one of the Kingdom's most anticipated new dining and social destinations. To kick off the launch, celebrations will start with a CLAW BBQ Parade, led by Bahrain Bikers, riding from Hilton Bahrain through Manama and Adliya before returning to the hotel between 4:30 pm and 5:30 pm. CLAW BBQ's door will open to the public at 8:30 pm on December 14. Starting December 15, regular hours will be: Sunday–Thursday from 4 pm to 3 am, and Friday–Saturday from 12 pm to 3 am. Mohamed Ghuloom Juma, Chairman of Bahrain Bikers, expressed his excitement about partnering for the opening pa-

rade. “We're proud to support Hilton Bahrain in welcoming CLAW BBQ to the Kingdom. Bahrain Bikers have always believed in celebrating community and local experiences, and this opening brings something fresh and energetic to the dining scene. We're thrilled to be part of the very first chapter.” CLAW BBQ is known for its lively atmosphere, Southern hospitality, and bold, crowd-pleasing flavors. Guests can dig into crowd-favorites like slow-cooked BBQ beef ribs, tender Texas-style brisket and an array of seafood including King Crab, Snow Crab, Oysters and more. The menu also features CLAW BBQ's sensational range of burgers and comfort-food classics—think stuffed jalapeños, fried pickles, indulgent desserts, and their signature tableside guacamole. All of this comes together in a high-energy setting that includes billiards tables, arcade-style games, large sports screens and panoramic skyline views across Manama. Hilton Bahrain's Gener-

al Manager, Tamer Farouk, played a key role in bringing the concept to the Kingdom after first experiencing it during his time in Doha. “CLAW BBQ is so much more than a restaurant—it's an experience built around food, energy and fun,” Farouk said. “Its personality fits perfectly with Hilton Bahrain and with the vibrant spirit of Juffair.” Since its debut in Dubai in 2013, CLAW BBQ has become a regional success story, expanding across the GCC and earning multiple awards, including its recent recognition as Favourite North American & Caribbean Restaurant at the 2025 F&T Dining Awards. The Bahrain opening marks the brand's latest expansion, with additional locations expected to be announced soon. For Hilton Bahrain, the arrival of CLAW BBQ strengthens its growing lifestyle and dining portfolio and supports the hotel's commitment to delivering fresh, memorable and community-driven guest experiences.
