IAN S | Los Angeles

Dwayne 'The Rock' Johnson has been ridiculed online after excitedly saying that he apparently has a crush on rapper Megan Thee Stallion.

In a new interview, the actor eagerly said that he would be the 'Sweetest Pie' rapstress' pet, reports aceshowbiz.com.

Dwayne and Kevin Hart did an interview to promote their new movie 'DC League of Super-Pets'.

During the interview, which was uploaded to the actor's Instagram page, Dwayne excitedly unveiled that he's willing to be Megan's dog.

The actors were asked by the interviewer: "If you could be any celebrity's pet, who would you be?"

Without skipping a beat, Dwayne responded that his ideal owner would be hip-hop star Megan, prompting his co-star Kevin, who said that he'd love to be Denzel Wash-

In response, the interviewer said: "Oh, that's a good one. Why Megan Thee Stallion?"

Reacting to the question, Dwayne, who tied the knot with Lauren Hashian in 2019, coyly said: "Oh, we don't need to talk about that."

Shortly after, social media users reacted to The Rock's quick response.

"That response was fast as hell. He's been holding that in for a while!" one person commented on his post, with another said: "He been waiting his whole life to be asked that question l m a o o o o o."

Brad Pitt has a black book of actors 'he won't work with again'

Celebretainment | Los Angeles

Brad Pitt has a list of actors he won't work with again, according to his 'Bullet Train' co-star Aaron Taylor-Johnson.

The 58-year-old Hollywood legend is said to keep notes on the actors who he loves and the ones he doesn't wish to be on set with again, just like Aaron, 32.

Speaking to Variety, the latter said of Brad: "He just wants to bring light and joy into the world and be around people who are there to have a good time. You work with many actors and after a while you start making notes: 'I am definitely not working with this person ever again.' Brad has this list too: the 'good' list and

the s*** list."

One star who is definitely on his 'good' list is Sandra Bullock

Brad filmed a cameo for Sandra's 'The Lost City' and she plays Maria Beetle, the handler of trained killer Ladybug (Pitt), in his latest movie 'Bullet Train' and Brad hopes he and his "old friend", who is also 58, will collaborate again in the future.

The 'Fight Club' star said in a recent interview: "Sandy is an old friend. She's a diehard person I could call for favours over the years and I have done

many many times and she's always there.

"Her timing was great, she was a great person to have in my ear in a situation like what which is actually kind of intimate. It just worked out really well and she had her film and I got to do a little bit of hers. I think we'll continue to do the same."

The 'By the Sea' star was also full of praise for co-star Joey King, 23, who plays hired killer Prince.

He said: "She's a powerhouse. She was just 21 when we were filming. Listen, I consider us pretty sharp but she's the sharpest of us all."

Britney Spears says her teenage kids are 'hateful', 'rude' towards her

IAN S | Los Angeles

Pop star Britney Spears further addressed her relationship with her children, noting that her Instagram posts are not why her kids don't want to visit her.

She denied that her nude photos on social media are the reason her two sons, Sean Preston and Jayden, don't want to stay at her house anymore as their issues pre-date her more liberal usage of the photo sharing app since she was released from the 14-year conservatorship that gave her father Jamie Spears control over her financial, health and professional decisions, reports aceshowbiz.com.

In a post on Instagram, the 40-year-old wrote: "As we all know, raising teenage boys is never easy for anyone...it con-

cerns me the fact that the reason is based on my INSTAGRAM...it was LONG before Instagram...I gave them everything...Only one word: HURTFUL...I'll say it...My mother told me 'You should GIVE them to their dad' ...I'm sharing this because I can...Have a good day folks!!!"

"The situation should have been 100 per cent dealt with privately and definitely not online," she added, taking aim at their father's Kevin Federline's recent tell-all to the Daily Mail.

"A British network claimed that their stepmom's goal is to keep the children away from all the controversy and

trauma in my home... I have love in my home and I have blessings from the people I allow in and out of my home!!!"

She also said, "I looked forward to seeing my kids every week... It was 2 days a week but I asked him to ask to stay for more days... maybe 3 days

... But then the next week they stayed for only one day (sad face emoji). Yeah, I know that teenagers are just hard to deal with that that age... but COME ON, there's being rude then there's being HATEFUL..."

"They would come visit me,

walk in the door, go straight to their room and lock the door !!! The MONITOR would tell me that he just likes to be in his room .. I'm like why come visit me if they don't even visit me !!!
