Al Noor International School celebrates CBSE Graduation Day 2025-2026

Al Noor International School's CBSE Section celebrated its Graduation Day for the Academic Year 2025-2026 with great enthusiasm and grandeur at Al Murjan Ballroom, Movenpick Hotels & Resorts on June 2, 2026. The event marked a significant milestone in the lives of the graduating students of Grades X and XII, recognizing their academic achievements, perseverance and dedication.

The School Founder Chairman Mr Ali Hasan extended his heartfelt gratitude to His Majesty King Hamad Bin Isa Al Khalifa

and His Royal Highness Prince Salman bin Hamad Al Khalifa, the Crown Prince and Prime Minister for their unwavering support and visionary leadership in advancing education across the Kingdom of Bahrain.

A highlight of the ceremony was the presentation of mementos and graduation certificates to the school toppers by the Founder Chairman, Mr. Ali Hasan, and Principal, Mr. Abdul Rahman Al Kooheji. Graduation certificates were also awarded to all students of the outgoing Grades X and XII batches of the Academic Year 2025-2026.

Mr. Ali Hasan commended the students for their achievements and extended his heartfelt congratulations to the graduating class. He also expressed his appreciation for the unwavering dedication of the teachers, coordinators and faculty members in nurturing and guiding the students.

Addressing the gathering, the School Director Dr. Muhammad Mashood lauded the exceptional academic accomplishments of the CBSE students and highlighted the school's notable achievements during the academic year.

Congratulating the graduates, he urged them to continue striving for excellence and to face future challenges with determination, confidence and integrity.

In his welcome address, Principal, Mr. Abdul Rahman Al Kooheji congratulated the school

community on the outstanding performance of students in the CBSE Board Examinations. He encouraged the graduates to embrace future opportunities with confidence, integrity and a commitment to purposeful growth as they pursue their aspirations.

The programme concluded with a vote of thanks delivered by Mrs. Monika Sethi, Head Teacher of the CBSE Section, who expressed gratitude to all dignitaries, staff members, parents and students for their contributions to the success of the event.

GRATEFUL HEARTS, LOYAL VOICES NMS FAMILY EXPRESSES SUPPORT FOR BAHRAIN'S LEADERSHIP

In a demonstration of loyalty, patriotism, and gratitude to the Kingdom of Bahrain, the entire staff of New Millennium School, Bahrain, signed a document expressing their loyalty and support for the Kingdom's leadership and its continued vision for national progress, prosperity, and stability.

The initiative witnessed the wholehearted participation of all teaching and non-teaching staff members, reflecting their profound gratitude and steadfast loyalty to the wise leadership of

the Kingdom of Bahrain. Participants expressed their appreciation for Bahrain's welcoming and inclusive society, where people from diverse backgrounds can live and work in an atmosphere of safety, stability, and mutual respect. They conveyed sincere gratitude for the care, support, and opportunities extended to the expatriate community, which have enabled

many families to feel at home in the Kingdom and contribute meaningfully to its continued growth and development. Through this collective gesture, they reaffirmed their commitment to the values

of loyalty, respect, and gratitude that underpin Bahrain's continued progress and prosperity.

Principal Dr. Arun Kumar Sharma stated that the enthusiastic staff response reflects the deep

appreciation and respect the NMS family holds for the Kingdom of Bahrain. He further noted that the school is honoured to be part of a nation that places great emphasis on education, innovation, social harmony, and human development.

Chairman Dr. Ravi Pillai and Managing Director Mrs. Geetha

Pillai expressed their appreciation for the NMS family's wholehearted participation in signing the document. They stated that the collective gesture reflects the school community's unwavering loyalty to the wise leadership and governance of the Kingdom of Bahrain.

New Millennium School remains steadfast in its mission of nurturing responsible global citizens while instilling in students a profound respect for the Kingdom of Bahrain, its rich heritage, its values, and its visionary leadership.

Bahraini Students Shine on Global Stage with Top Honours Across Multiple Tracks at Huawei ICT Competition 2025-2026 Global Final in China

Bahrain has announced its arrival on the global technology map after students from three of the Kingdom's leading universities claimed top honours at the Huawei ICT Competition 2025-2026 Global Final in Shenzhen, China. Competing against more than 220,000 participants from over 2,000 institutions across 100 countries, Bahrain's teams emerged as one of the event's most decorated delegations in the competition's decade-long history.

Bahrain Polytechnic led the charge, securing First Prize in the Network Track. Mentored by Dr. Omar Bani Fayyad, Head of

School for Cybersecurity, students Yousif Alsayyad, Zahra Shubber, and Sayed Hasan Almosawi outperformed rivals from 49 competing nations to claim the top podium position.

Kingdom University delivered one of the competition's standout moments, winning Third Prize in

the Innovation Track alongside the coveted Global 'Women in Tech' Award. Under the guidance of mentor Ms. Marwah Assim Afyan, students Sarah Mohamed Sharif, Fathima Nazira Mohamed Naseer, and Riya Sharfraz were recognised for their groundbreaking contribution to female leader-

ship in STEM.

Ahlia University rounded out Bahrain's remarkable haul, earning Third Prize in the Computing Track. Led by Prof. Wasan Shakir Awad, students Aayat Mudassar and Mariam Salman demonstrated exceptional technical ability on the world stage.

Huawei Bahrain CEO Mr. Harry Yu praised the achievement, noting that the results validate the Kingdom's strategic investment in digital talent. "When we equip our youth with cutting-edge skills, they don't just compete globally — they win," he said.

The competition, now in its 10th

edition, spans multiple tracks including Practice, Innovation, and Programming, designed to bridge the global shortage of skilled professionals in AI, cybersecurity, and computing. UNESCO's Dr. Shafika Isaacs, addressing the closing ceremony, commended participants for applying emerging technologies responsibly to solve real-world challenges across cultural boundaries.

Bahrain's sweep of honours reflects the Kingdom's growing commitment to building a future-ready, knowledge-based economy.
