

GFH continues support for the **CPISP**

Manama

His Excellency Shaikh Mohammed bin Essa Al Khalifa, Advisor for Political and Economic Affairs at the Court of the Crown Prince, and Board Member and Head of the Financial and Administrative Committee of the Crown Prince's International Scholarship Program (CPISP), today met with Mr. Hisham Al Rayes, Chief Executive Officer and Board Member of GFH Financial Group, to present the Group's contribution as the Program's "Platinum" sponsor.

His Excellency Shaikh Mohammed bin Essa expressed his gratitude and appreciation for GFH's ongoing support, noting that sponsors play a vital role in advancing the Program's far-reaching objectives. These include providing outstanding Bahraini students with opportunities to pursue their

studies at top-tier universities, equipping them to compete in the Kingdom's dynamic labor market, and preparing them to contribute as active partners in

national development. For his part, Mr. Al Rayes commended the continued commitment of His Royal Highness Prince Salman bin

Hamad Al Khalifa, the Crown Prince and Prime Minister, to supporting educational and developmental initiatives that enhance the skills of Bahraini

youth. Mr. Al Rayes emphasized the Group's role as the Program's "Platinum" sponsor, underscoring its commitment to supporting the Kingdom's

education sector and advancing human capital development, which serves as a cornerstone of the Kingdom's progress.

BisB Empowers Corporate and SME Clients with Seamless Multi-Currency Account Opening via BisB Digital

Manama

Bahrain Islamic Bank (BisB), the leading provider of innovative Islamic financial solutions for simplifying money matters in the Kingdom of Bahrain, has introduced a new online service that enables existing corporate and SME customers to open multi-currency accounts directly through the BisB Digital platform.

Mr. Yousif Ali Engineer, Acting Chief Corporate and Institutional Banking Officer at BisB

The new service allows customers to open three types of accounts: Current, Savings, and Call with a fully automated, straight-through processing (STP) journey. Once enabled via a simple consent prompt upon login, users can open accounts with just a few clicks, selecting the desired product and currency without the need for as-

sistance from their Relationship Manager. The accounts offer flexible options across eight currencies, including Bahraini Dinar (BHD), U.S. Dollar (USD), Saudi Riyal (SAR), Euro (EUR), British Pound (GBP), Emirati Dirham (AED), Swiss Franc (CHF), and Kuwaiti Dinar (KWD). This flexibility empowers businesses to manage their finances across multiple currencies, tailored to their operational and treasury needs. Mr. Yousif Ali Engineer, Acting Chief Corporate and Institutional Banking Officer at BisB, said, "This new service reflects our commitment to simplifying banking for our corporate clientele. By enabling multi-currency account opening, we are not only

saving our customers valuable time but also empowering them with greater control and flexibility. Corporate clients often

need to open several accounts across different currencies to support cross border operations or segregate funds for specific business units. With this solution, they can do so instantly and securely, without leaving their office. It is another step in our mission to deliver smart, secure, and accessible digital services that truly respond to our customers' operational realities." The initiative marks another milestone in BisB's ongoing efforts to enhance the customer experience by promoting convenient self-service banking. The Bank continues to lead the way in offering value-added digital solutions tailored to the needs of Bahrain's SME and corporate segments.

Batelco by Beyon expands strategic partnership with the Ministry of Interior through exclusive offers on "Testahel" App

Manama

Batelco by Beyon is delighted to announce the expansion of its partnership with the Police Market at the Ministry of Interior (MOI) by offering a range of exclusive promotions and offers to MOI employees through the Ministry's internal application, Testahel. To underscore the significance of this partnership and the shared commitment to delivering greater value, a signing ceremony was held at Beyon's headquarters, attended by senior representatives from both parties. The agreement was signed by Maitham Abdulla, CEO of Batelco and His Excellency Shaikh Salman bin Rashid Al Khalifa, Assistant Undersecretary for Administrative Affairs at the Ministry of Interior, representing the administrative body of the Police Market, reflecting the strong ties and mutual dedication between the two organizations.

The Testahel app, developed to enhance convenience and

accessibility for the Ministry's staff, showcases a range of exclusive Batelco offers. These

include special rates on mobile plans, broadband and fiber services, extra data and discounts

on new devices. "Batelco and the Ministry of Interior share a rich history of

cooperation, and we are truly delighted to take this partnership a step further by supporting the MOI through personalized offers," said Maitham Abdulla, CEO of Batelco by Beyon. "This initiative reflects our wider mission to deliver innovative, value-driven solutions that enhance the lives of individuals and communities across the Kingdom," he added. From his side, The Assistant Undersecretary for Administrative Affairs commented: "We greatly value our partnership with Batelco by Beyon, which stands as a model of successful collaboration between national organizations. We look forward to continuing to strengthen this relationship and to exploring new avenues of cooperation in the future." The exclusive Batelco offers are now live and accessible to all Ministry of Interior employees via the Testahel app.
