

'Ultimate' venue for live entertainment

State-of-the-art Al Dana Amphitheatre ready to open doors with thrilling season of shows in Bahrain

TDT | Manama

Al Dana Amphitheatre, Bahrain's newest and most exciting live entertainment destination, will be opening its doors with a thrilling season of shows lined up for 2021.

Located adjacent to Bahrain International Circuit (BIC), the venue is set to become a key player in the region's entertainment industries, seamlessly bringing together the desert landscape and state-of-the-art technology to create a one-of-a-kind event location that will captivate guests and artists alike.

Dynamic and versatile, Al Dana Amphitheatre is set to become the venue of choice for touring artists and global event promoters, creating internationally recognised experiences to attract a wide range of audiences on a local, regional and international level, further promoting tourism and establishing the Kingdom as an essential destination for entertainment and events.

The unique features of the amphitheatre

The venue will provide tailor-made event management solutions to offer a creative, innovative and commercially oriented experience.

Al Dana Amphitheatre's outdoor setting and unique natural acoustics provide the ultimate experience for all staged performances and live entertainment. Guests will begin their journey by entering the Plaza, a convenient space filled with a variety of food, beverages and retail stands to be enjoyed, moving to the heart of Al Dana Amphitheatre, its breath-taking 10,000 seat

"It's an exciting time for entertainment in the Middle East and we are looking forward to opening our doors at exactly the right time to be able to cater to the increased demand and doing it safely, which is of primary importance. Al Dana Amphitheatre is where imagination comes to life; a truly versatile venue with several different areas set up to host numerous types of events, and we are thrilled to welcome everyone to take part in our phenomenal experiences soon!"

- ARIF RAHIMI, CHAIRMAN OF AL DANA AMPHITHEATRE

open-air Theatre, where guests will experience the magic of entertainment under the stars.

The theatre itself is also surrounded by several other equally enchanting event spaces, each with their own charm.

Above the theatre lay parallel Balconies and Suites, both of which overlook the stage with their own distinctive features, in addition to the venue's green sanctuary, the Desert Garden and its extraordinary Quarry Lounge, all of which are available for global event promoters, corporate and private events.

The venue was built with the community in mind and is dedicated to nurturing, developing and supporting local talents through various community programmes in the future.

NVTC, Derasat sign MoU on AI

TDT | Manama

Nasser Vocational Training Centre (NVTC) and the Bahrain Center for Strategic, International and Energy Studies (Derasat) have signed a memorandum of Understanding to enhance partnership in developing innovations in artificial intelligence (AI) and exchanging expertise.

The memorandum was signed at the NVTC campus by Derasat's Executive Director Dr Hamad Ebrahim Al Abdullah and NVTC Executive Director Dr Abdullah Al Noaimi.

The MoU is to unite efforts and experts to establish Nasser Artificial Intelligence Research and Development Cen-

tre and to make it one of the leading centres in this field.

Derasat will participate and use facilities in Nasser AI R&D Centre as its focal location for all its AI research, innovations and projects for its students and academics.

Nasser AI R&D Centre will ensure Derasat requirements are studied and taken into consideration through the provision of facilities and guidelines.

Al Noaimi praised Derasat's exceptional reputation and its integrated vision in cooperating and coordinating with various official organizations from the public and private sectors, and its successes at all levels.
