Balanced Progress

His Highness Shaikh Nasser bin Hamad Al Khalifa's leadership in advancing Bahrain's oil and gas sector through balanced policies was highlighted by Deputy Prime Minister Shaikh Khalid bin Abdullah Al Khalifa during the inauguration of the Middle East Oil, Gas and Geosciences Show (MEOS GEO), held under the theme 'Energy for a prosperous future: Leading a sustainable tomorrow', with more than 120 companies taking part.

Bahrain-US security partnership

His Excellency General Shaikh Rashid bin Abdullah Al Khalifa, Minister of Interior, received Dr David Wyrick, head of the delegation from the University of North Carolina, USA, and U.S.-based Drug Abuse Resistance Education (D.A.R.E). Shaikh Hisham bin Abdulrahman Al Khalifa, Undersecretary for Nationality, Passports and Residence Affairs (NPRA) and Chairman of the Maan (together) Committee for Combating Violence and Addiction, was present. Gen. Shaikh Rashid bin Abdullah commended the cooperation with the UNCG and D.A.R.E. in developing the Maan programme, one of the Kingdom's most important community-security initiatives, given its role in protecting youth from the risks of violence and addiction and in promoting positive behavioural patterns. He underlined the importance of continuing this research partnership for its positive impact on the programme's methodology .
