Focus on ways to enhance Bahrain-US military and defense cooperation

Bahrain Defence Force (BDF) Commander-in-Chief Field Marshal Shaikh Khalifa bin Ahmed Al Khalifa received Major General Paul J. Rock, Commander of the Central Command of the US Marine Corps. BDF Chief of Staff Lieutenant-General Theyab bin Saqr Al Nuaimi was present. Field Marshal Shaikh Khalifa bin Ahmed reviewed the existing cooperation between Bahrain and the US and ways to enhance them at various levels, especially the military coordination and defense cooperation.

Shura Chairman receives Ambassador to Sudan

Shura Council Chairman Ali bin Saleh Al Saleh received newly appointed Bahraini Ambassador to Sudan Abdullah Rabea Saeed Rabea. The Chairman congratulated the ambassador on the royal trust, wishing him continued success in his diplomatic duties, which would contribute to further consolidate the brotherly relations between the two countries. The Ambassador stressed his efforts to translate the aspirations and directives of His Majesty King Hamad bin Isa Al Khalifa, towards strengthening the common relations in various fields.

SEA President discusses cooperation with Varilux company

Sustainable Energy Authority (SEA)'s President Dr Abdulhussain bin Ali Mirza received Chairman and CEO of Varilux Technology Jack Jemiff and accompanied delegation. The meeting reviewed the company's plans and strategies set to enhance its contributions to support Bahrain's transition to sustainable energy in a way that achieves mutual benefit, and discussed cooperation and investment in the fields of technology and renewable energy, which contributes in diversifying the Kingdom's economy. The SEA head stressed the leadership's keenness to support the authority's efforts to achieve the sustainable energy goal.

iGA, Government Hospitals discuss health tech requirements

Information and eGovernment Authority (iGA) Chief Executive Mohammed Ali Al Qaed received Government Hospitals Chief Executive Officer Dr Ahmed Al Ansari and Primary Health Care Centers Chief Executive Officer Dr Jalila Al Sayed at his office at the iGA's Isa Town headquarters. They discussed prospects for continued cooperation and the hospitals' and centres technology and systems requirements. The meeting covered a number of topics such as the importance of keeping up to date health data and statistics, and the ongoing cooperation between the iGA and the health sector in this area.

Higher Education Council Secretary General receives Malaysian Ambassador

Higher Education Council Secretary General Dr Shaikha Rana bint Isa bin Daij Al Khalifa, the Deputy Chairman of the Board of Trustees of the Higher Education Council, received Malaysian Ambassador-Designate to the Kingdom of Bahrain, Shazryll Zahiran. She praised strong friendly relations between both countries, stressing the kingdom's keenness to boost bilateral cooperation in the educational and scientific research field. She wished the ambassador constant success in his efforts to further promote relations between the two friendly countries.

UoB President receives Ambassador to Belgium

University of Bahrain (UoB) President Dr Jawaher bint Shaheen Al Mudhahki received Bahraini Ambassador to Belgium Abdullah Faisal Jaber Al Dossari. The meeting discussed cooperation in facilitating academic and research agreements with foreign universities, exchange expertise and overcoming difficulties for Bahraini students abroad. The Ambassador was briefed on the university's future plans, aspects related to representing UoB abroad, and the development of international scientific relations.

Bay View at Four Seasons Hotel Bahrain Bay introduces new Mediterranean menu by Chef Leonardo Di Clemente

TDT | Manama

Bay View invites guests to experience exquisite creations brought by Executive Chef Leonardo Di Clemente straight from the picturesque Mediterranean, with an Asian twist.

Combining his wealth of diverse experience from his Italian heritage and appointments across the globe, including six years at the former Four Seasons Hotel Tokyo at Chinzan-so, the new menu celebrates Mediterranean and Japanese cultures through uniting their simple cooking styles, techniques and flavours.

Situated at the heart of Four Seasons Hotel Bahrain Bay on the ground floor, Bay View offers guests a delightful setting overlooking the Arabian Gulf and Manama's striking skyline while tasting delicious Mediterranean and Japanese fusion dishes created by Chef Leonardo.

Executive Chef Leonardo Di Clemente

Renowned for its magnificent interior, mixology expertise and relaxed setting, memorable experiences are guaranteed with seating options available both indoors within the majestic lobby, or outdoors on the spacious terrace.

Paying homage to the fresh produce that is synonymous with Mediterranean cuisine, Bay

View's menu embraces vibrant foods that are rich in vegetables, fruits, seafood, lean proteins and healthy fats.

From the raw section, fresh seabream is served with Italian burrata, cherry tomatoes, seaweed salad and ponzu dressing for a Japanese twist.

From the salad section, savour Omani lobster served with toma-

Caramelia

Vitello Tonnato

Oman Lobster

Red Snapper

Meringue Berries Tart

and presentation come together to reflect Japanese Kaiseki cuisine, where each dish is uniquely designed to take guests on a journey."

To make a reservation, call +973 1711 5000 or book online.

For all the latest updates, follow the Hotel and restaurant on Instagram @fsbahrain and @bayview.bh, Twitter @fsbahrain, and Facebook @fourseasonshotelbahrainbay

to carpaccio, bell peppers and a dash of citrus juice.

Dessert lovers will be pleased to discover new additions such as the meringue berries tart and caramelia served with caramelised chocolate and hazelnut ice cream.

"Bahrain's climate is very similar to that of the Mediterranean's, and it is blessed to have a year-round summer; this is

why through the menu we offer light, healthy and simple choices that complement the climate and lifestyle," comments Chef Leonardo.

"Each dish tells a flavourful story, uplifted by the thought-provoking, inventive plating and china that plays on textures and design variations. The ingredients, preparations
