# Philippines wins fourth Miss Universe crown

Reuters | Bangkok

Catriona Gray from the Philippines was crowned Miss Universe yesterday, the fourth time the Southeast Asian country has won the international beauty pageant.

Gray, a 24-year-old Filipino-Australian model, won the title in the Thai capital Bangkok where the pageant included for the first time a transgender contestant.

"My heart is filled with so much gratitude. There were moments of doubt where I felt overwhelmed and I felt the pressure," said Gray, who wore a red and orange dress that was inspired by Mount Mayon, a volcano that erupted this year. Gray was asked during the contest about her views on legalising marijuana and replied that she supported it for medical uses.

After she was crowned, Gray told reporters the question was "definitely relevant" and "an active topic", in an apparent reference to the war on

Gray said during the pageant that working in a Manila slum had taught her to find beauty in difficult situations.

"If I could teach people to

be grateful, we could have an amazing world where negativity could not grow and foster, and children would have a smile on their face," she said.

Miss South Africa, Tamaryn Green, 24 was the first runner-up, followed by Miss Venezuela, Sthefany Gutiérrez, 19,

## Robert De Niro inspired Bradley Cooper to direct

PTI | Los Angeles

Hollywood star Bradley Cooper says veteran actor Robert De Niro motivated him to take the idea of directing a film seriously.

Cooper, who made his directorial debut with critically-acclaimed 'A Star Is Born', says De Niro urged him to turn director during their time on 'Limitless'.

"I tried to get him to do this movie, 'Limitless', and combine two characters. That was the first time I tried to cast a movie, even though I wasn't the director, and I went to see him in his hotel room.

"I was pitching him the whole thing and then he wound up saying yes, which

blew my mind because he was my hero. After that movie, he said he thought I should direct," Cooper told a source.

'A Star Is Born' also features Lady Gaga.

## Ashlee Simpson, Ross share why daughter is best addition to tour

Evan Ross and Ashlee Simpson

IANS | Los Angeles

Singer Ashlee Simpson and husband Evan Ross, an actor and a musician, are gearing up to go on a tour together. The couple is looking forward to bring their three-year-old daughter, Jagger, along for the adventure.

"We've been in rehearsal, actually, (and) Jagger was at our rehearsal dancing it up!" Simpson said, referring to the couple's upcoming Ashlee+Evan Tour, reports etonline.com.

Ross added: "So we had the

best background dancer ever today! We just left rehearsal today, (and) we've got some rehearsals to do, but we're excited."

The couple doesn't have a whole lot of time before their North American tour officially kicks off on January 7, 2019 at the Bowery Ballroom in New York, and continues for a total of eight announced stops before wrapping up on January 18 here.

"We are bringing the (whole) family on the road," Ross shared. "Everybody's coming!"

## No GoT reunion for Jason Momoa

IANS | Manila

Before opening the final chapter, "Game of Thrones" makers will be treating fans with a reunion episode. But actor Jason Momoa says he won't be a part of the special episode.

Jason Momoa

HBO channel confirmed the news of the special episode, but it won't air on the network. It will only be available as part of the complete series home video box set, which will package all eight seasons together.

Asked if he will make an appearance in the reunion episode, Momoa told IANS exclusively: "I don't think so."

Momoa played the role of warlord of the Dothraki people Khal Drogo in the series, which brings the story from George R.R. Martin's novels about the quest to claim the Iron Throne alive. The final season will arrive in April next year.

At the moment, Momoa is riding high on success of his superhero film Aquaman.
