His Majesty King Hamad bin Isa Al Khalifa, the Supreme Commander of the Armed Forces, was welcomed by the Bahrain Defence Force (BDF) Commander-in Chief, Field Marshal Shaikh Khalifa bin Ahmed Al Khalifa, upon arrival at the Royal Bahraini Air Force (RBAF) yesterday.

HM the King, who was accompanied by Lieutenant-General His Highness Shaikh Nasser bin Hamad Al Khalifa, National Security Advisor and Royal Guard Commander, was also welcomed by Lieutenant-General Theyab bin Saqr Al-Nuaimi, BDF Chief of Staff, Air Vice-Marshal Shaikh Hamad bin Abdulla Al Khalifa,

HM the King meets the Royal Bahraini Air Force personnel

RBAF Commander, and a number of senior RBAF officers.

The RBAF Commander delivered a statement in which he welcomed the visit of the Supreme Commander of the Armed Forces to RBAF.

He expressed profound thanks and gratitude to HM the King for his unwavering support for the RBAF, which, he said, is a source of pride for all its affiliates.

The RBAF Commander also expressed appreciation to His

Royal Highness Prince Salman bin Hamad Al Khalifa, the Crown Prince, Deputy Supreme Commander of the Armed Forces and Prime Minister, for his constant interest in the RBAF.

He also paid tribute to the BDF

Commander-in-Chief for his constant follow-up and support for the RBAF.

Air Vice-Marshal Shaikh Hamad bin Abdulla briefed HM the King on the continuous provisions of the latest integrat-

ed military system to the RBAF, within the ongoing efforts to strengthen the capabilities of various BDF units and branches.

A number of RBAF aircraft conducted a fly-past to welcome HM King Hamad.

Bahrain keen to adopt innovative environment-friendly technologies

TDT | Manama

Bahrain is committed to upholding environmental principles, adopting innovative green economy plans,

and using environment-friendly technologies to achieve the Sustainable Development Goals (SDGs) and Bahrain's Economic Vision 2030. This was affirmed

by Oil and Environment Minister Dr. Mohammed bin Mubarak Bin Dinah, Special Envoy for Climate Affairs, as he met with members of the American

Dr. Bin Dinah with AmCham Bahrain members

Chamber of Commerce in Bahrain (AmCham Bahrain).

The meeting reviewed sustainability initiatives in the oil and energy sectors, the private sectors role in enhancing national efforts to diversify energy sources, as well as Bahrain's strategies for diversification and transformation in the energy sector.

The two sides also shed light on the private sectors' investment opportunities in renewable energy projects, and enhancing environmental cooperation between US energy companies and their Bahraini counterparts,

in addition to a number of topics related to environmental issues and clean energy. AmCham Bahrain President Qays Al Zubi emphasised the importance of the private sector in environmental sustainability in Bahrain.

"As part of our partnership with the Ministry of Oil and Environment, AmCham Bahrain demonstrates its commitment to supporting Bahrain's Economic Vision 2030's environmental sustainability goals, and we are eager to explore innovative ways to work together and contribute to the achievement of these objectives," he added.

Enhancing cooperation

During the meeting, they also discussed ways to enhance cooperation between the ministry and AmCham Bahrain in the sustainable development and renewable energy sectors.

The minister praised the private sector's efforts in boosting national and international entities aimed at protecting the environment, as well as achieving a logical balance between the environmental, developmental and economic rights of humans.

Communications sector cooperation

Transportation and Telecommunications Minister Mohammed bin Thamer Al Kaabi received Mario Maniewicz, Director of the International Telecommunications Union (ITU) Radiocommunication Bureau. Adel Mohamed Darwish, Director of the Regional of the (ITU) for the Arab States was present. The meeting discussed the importance of strengthening international cooperation to develop the communications sector. They also shed light on the work of the ITU and the importance of developing regulations over AI technologies and the utilisation of space for communications.

Bahrain condoles with Egypt over military bus accident

TDT | Manama

The Ministry of Foreign Affairs expressed the Kingdom of Bahrain's sympathy and solidarity with the Arab Republic of Egypt over an accident

involving a bus loaded with ammunition during an armed forces training exercise south of the 10th of Ramadan City, which resulted in the death and injury of a number of officers

and soldiers.

Bahrain expresses its condolences to the government, Egyptian people, and the families of the victims, wishing a speedy recovery to all those injured.
