Avril Lavigne has no marriage regrets

IAN S | Los Angeles

Singer Avril Lavigne says she does not regret marrying musicians Chad Kroeger and Deryck Whibley, who are now her former husbands.

Lavigne said: "I love love. The way I looked at it is I married my long-terms."

The "Head Above Water" singer first met Kroeger when it was suggested by her then-manager that they get into the recording studio together and they quickly fell in love, reports femalefirst.com.uk.

Recalling her initial reaction to the collaboration suggestion, she told Billboard magazine: "He's had a ton of hit songs. He plays guitar. This could be great...A month later, I had a 14-carat ring on my finger."

The 43-year-old rocker quickly caught her attention when he arrived for their first studio session with a \$3,000 bottle of Screaming Eagle wine.

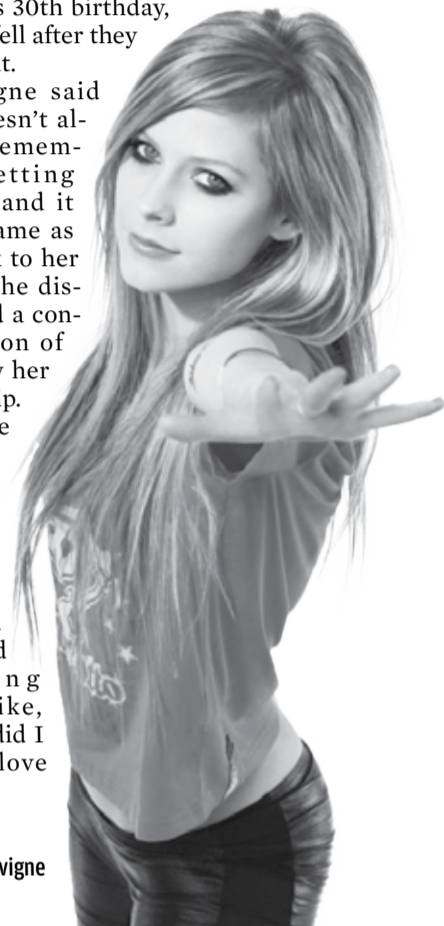

She said: "(I thought) 'Like, I'm in love.' " After two days in the recording studio, Lavigne made the "How you remind me" singer get a matching tattoo with her, which read 'Vivre le moment present'. She said around 75 per cent of her inkings were done in tandem with other people, including two she has with her Whibley, a musical note and a number 30 to mark the Sum-41

rocker's 30th birthday, which fell after they had split.

Lavigne said she doesn't always remember getting inked, and it once came as a shock to her when she discovered a constellation of stars by her inner hip.

She called: "I remember, like, peeing. And looking at it like, 'What did I do? I love it.'"

Cardi B asks for post pregnancy body advice

IAN S | New York

Rapper Cardi B, who has been candid about how much her body has changed since giving birth to a daughter, has asked fans for suggestions on how to get the pregnancy line across her stomach to vanish.

Cardi took to Instagram to show show off her toned stomach area just three months after welcoming her daughter Kulture Kiari with husband Offset. The 26-year-old "Bodak Yellow" rapper revealed she still has some things she would like to work on.

"Ladies how do you guys get rid of the black line in

Cardi B

the middle of your stomach after giving birth?," Cardi wrote along with a photo of herself in a black tracksuit, which bared her toned abs.

In the image, a dark line can be seen both above and

below her belly button.

According to American Pregnancy Association, the line is called the pregnancy line and is usually caused by the changing hormones or the imbalance of hormones.

I've become private person after marrying Kanye: Kim

IAN S | Los Angeles

Reality star Kim Kardashian says her marriage with rapper Kanye West has made her more "private person".

While appearing on "The Alec Baldwin Show", Kim admitted that before she met Kanye, her whole life revolved around being in the spotlight.

She said: "We would get our hair and make-up done after we filmed the show. Then it was like: 'I was like what is the hottest restaurant in Hollywood? Where can I go? Where can I be seen? What are they

doing? Who is there?'"

But when she met the "Heartless" rapper, the "Keeping Up with the Kardashians" star said her perspective changed and he taught her how to value her private life, as he likes to keep to himself when he isn't working.

"It started with Kanye. His work life is very public, but then when he was off, he was very private. Now it's, 'Where can I go on vacation where nobody will see us?' All I want is privacy. I never thought I would be at that point," she added.

Cate Blanchett defends straight actors playing gay on screen

IAN S | Rome

Actress Cate Blanchett has defended straight actors playing gay characters.

Blanchett on Friday participated in a 'Close Encounter' discussion at the Rome Film Festival with its artistic director Antonio Monda when she commented on how Hollywood has been criticised by multiple human rights groups in recent years for giving its limited gay roles to straight actors, as well as giving transgender roles to

Cate Blanchett

cisgender actors.

When looking at footage from Todd Haynes' "Carol", based on Patricia Highsmith's novel about a forbidden love affair between two women, she said she had never been asked more questions about her sexuality than when she played a lesbian character. Many interviewers during the "Carol" junket seemed to imply or question whether having a lesbian experience was essential to understanding such a role.
