Bahrain Drives GCC Push for Smarter Industry

TD T | Manama

GCC officials discuss industrial investment, localization, AI and deeper integration ahead of Bahrain's Made in the Gulf 2026 forum.

H.E. Ms. Eman Ahmed Al Doseri, Undersecretary of the Ministry of Industry and Commerce, chaired the 49th Preparatory Meeting of the GCC Committee of Industry Undersecretaries, held virtually with the participation of industry undersecretaries from GCC countries.

The meeting focused on strengthening industrial integration and competitiveness across the Gulf, while promoting industrial investment, localization and the adoption of advanced technologies. Officials also discussed

ways to expand the use of innovation and artificial intelligence across the industrial sector as part of efforts to support its development.

During the meeting, Al Doseri highlighted the first edition of the Made in the Gulf 2026 Forum and Exhibition, which Bahrain will host in October.

The event is expected to provide a platform to showcase GCC industrial capabilities, highlight investment opportunities and encourage partnerships and greater integration across industrial value chains.

Al Doseri also thanked the GCC countries' working teams for their support and cooperation in preparing for the event, saying their efforts reflect the spirit of GCC cooperation and integration.

GCC Defence Industries Committee Concludes Fourth Meeting in Bahrain

TD T | Manama

The Bahrain Defence Force (BDF) has concluded the fourth meeting of the Defence Industries Committee of the Armed Forces of the Gulf Cooperation Council (GCC) in Manama.

The meeting reviewed items on its agenda focused on strengthening coordination and cooperation in defence industries among the armed forces of GCC member states.

Discussions centred on supporting joint Gulf military cooperation and enhancing integration across various defence-related sectors.

The meeting forms part of ongoing efforts by GCC countries to strengthen coordination between their armed forces and develop greater cooperation in defence industries, contributing to deeper military integration and collective capabilities across the region.

Saudi King Salman Condemns Houthi Attempt to Target Makkah

Saudi Arabia's King Salman bin Abdulaziz on Tuesday condemned what he described as an attempt by the Houthi militia to target Makkah, saying the incident violated the sanctity of the Kingdom's holy sites and provoked Muslims worldwide.

Chairing a Cabinet meeting in Jeddah, the King praised Saudi military and security personnel for defending the Kingdom and protecting the holy sites, pilgrims, citizens and residents. Saudi authorities said on September 16 that the Royal Saudi Air Defense Forces had intercepted and destroyed a Houthi drone before it entered the restricted airspace around Makkah.

The Cabinet also reviewed Crown Prince Mohammed bin Salman's recent visit to Egypt and discussions on strength-

ening bilateral cooperation. Regional developments, maritime security and international law were also discussed.

The meeting further highlighted Saudi initiatives in artificial intelligence, medical biotechnology and automotive manufacturing, including the launch of Ceer's first vehicle models, in line with the objectives of Saudi Vision 2030.
