### Cooperation

During the official talks, the two leaders reviewed the long-standing bilateral ties between their countries, which span more than four decades, and discussed opportunities to enhance cooperation across key sectors.

The visit coincided with significant milestones for both nations, with Cyprus holding the Presidency of the Council of the European Union and Bahrain presiding over the GCC, creating avenues for closer regional and international coordination.

The visit also witnessed the signing of a series of agreements and memoranda of understanding aimed at strengthening cooperation in education, culture, tourism, technology, military and search-and-rescue operations, and maritime and air freight services.

### Agreements

Among the agreements signed were mutual recognition of higher education qualifications, a partnership between diplomatic academies, cultural cooperation in antiquities and handicrafts, military collaboration, and a data sovereignty initiative to advance technology and communications.

His Majesty and H.E. President Christodoulides commended these agreements as crucial steps to support and further develop bilateral cooperation, enhance joint work between the two nations, and open new avenues for investment and innovation.

His Majesty hosted a luncheon in honour of the Cypriot President and his delegation, cementing the warm ties and goodwill between the two friendly countries.

He noted that the partnership spans defence and security, trade and investment, culture, higher education, youth, maritime affairs, and tourism.

## Bill blocked

# Shura rejects age-based work hour and leave amendments

Mohammed Darwish  
TDT | Manama

The Shura Council yesterday unanimously rejected, in principle, draft changes to the Civil Service Law that would have reduced daily working hours and increased annual leave for government employees aged 50 and above, with the bill returned to Parliament for reconsideration.

The draft, built on a proposal from Parliament, sought to amend Decree-Law No. 48 of 2010 by cutting the official working day on an age scale and adding extra leave.

Under the proposal, em-

ployees who had reached 50 would have worked one hour less each day and received 35 working days of annual leave.

Those aged 55 would have seen a two-hour daily reduction and 40 days' leave.

Those aged 60 would have worked three hours less and received 45 working days of annual leave.

The Legislative and Legal Affairs Committee recommended that members refuse the measure, saying it did not fit with the rules governing public service work, and warning of effects on staffing, service delivery and the state budget.

Presenting the committee's findings, rapporteur Dr Ahmed Al Arrayed said the proposal "creates discrimination between employees on the basis of age, even where their legal positions are the same".

He said it would also move detailed rules on attendance, departure times and annual leave into primary legislation, rather than leaving such matters to the executive regulations, decisions and instructions used to run the system.

He also warned that it would widen the gap with private-sector rules.

The measure, he said, "cre-

ates a core inconsistency between the Civil Service Law and the Private Sector Labour Law, producing unequal benefits between government and private-sector employees".

He added that Bahrain's legal benchmark for older persons entitled to special care uses the age of 60, not 50.

Al Arrayed said the draft would confer benefits by age alone.

"Employment advantages are built on competence," he said, "yet an employee could gain the privileges created by this draft purely by reaching a certain age, without meeting any competence requirement".

## Asian couple on trial over drug importation

Rehab Mohammad  
TDT | Manama

Bahrain’s High Criminal Court has heard the case of an Asian couple accused of importing illegal drugs through postal parcels sent from two European countries.

During the hearing, both defendants denied the charge of drug importation.

The wife told the court she has a six-month-old baby who is currently staying at her country’s embassy and asked to be released to care for her child.

She said she had no knowledge of the parcels sent in her name.

Her husband supported her statement but admitted to using drugs.

Prosecutors charged the couple, both in their forties, with importing cannabis and marijuana with intent to traffic during 2025, outside the cases permitted by law. The woman works at a women’s salon, while the man is a salesman.

The second defendant was also charged with possessing psychotropic substances for personal use without legal authorisation.

According to testimony from a senior customs officer at Bahrain International Airport, a suspicious parcel arriving from a European country on 29 May at around 4:00pm was flagged during inspection.

A sniffer dog alerted officers, and the package was found to contain a plastic bottle holding liquid suspected to be CBD oil, weighing about 1.138 kilograms.

Another parcel arriving from Europe on 26 August at around 6:00am was found to contain 900 grams of marijuana.

# Celebrating India's 77th Republic Day

**H.E. Smt. Droupadi Murmu, President of India**

**M**y dear fellow citizens,  
Namaskar!

We, the people of India, at home and overseas, are going to celebrate Republic Day with fervour. I extend my heartfelt greetings to all of you on this National Festival.

The auspicious occasion of Republic Day gives us an opportunity to reflect on the status and direction of our country in the past, present, and future. The force of our freedom movement changed the status of our country on 15th August, 1947. India became Independent. We became the architects of our own national destiny.

Since 26th January, 1950, we have been propelling our Republic towards our constitutional ideals. On that day, our Constitution was fully enforced. Bharat, the birthplace of democracy, was unshackled from the dominion system, and our democratic republic came into existence.

Our Constitution is the foundational document of the largest republic in world

history. The ideals of justice, liberty, equality, and fraternity enshrined in our Constitution define our Republic. The framers of the Constitution provided a strong bedrock for the spirit of nationalism and the unity of the country through constitutional provisions.

Lauh Purush, Sardar Vallabhbhai Patel, unified our nation. Last year, on 31st October, a grateful nation enthusiastically celebrated his 150th birth anniversary. Commemorative events related to his 150th Jayanti are being celebrated. These celebrations strengthen the spirit of national unity and pride among the people. From north to south and from east to west, the fabric of our ancient cultural unity was woven by our ancestors. Every effort to promote this spirit of oneness is highly commendable.

Two days ago, on 23rd January, the nation paid its respectful tributes to Netaji Subhas Chandra Bose on his birth anniversary. Since 2021, Netaji's Jayanti is celebrated as 'Parakram Diwas' so

that the people, especially the youth, can draw inspiration from his indomitable patriotism. Netaji's slogan 'Jai Hind' is the declaration of our national pride.

Dear fellow citizens,

Since ancient times, humanity has benefited from our civilization, culture, and spiritual traditions. Ayurveda, Yoga, and Pranayama have been appreciated and adopted by the global community. Many great personalities have continuously enriched the stream of our spiritual and social unity.

It is a matter of pride that today's India is moving forward with new self-confidence, conscious of its glorious traditions. In recent years, sacred sites related to our spiritual tradition have been re-connected with the peoples' consciousness.

It has been resolved to eradicate the vestiges of colonial mindset in a time-bound manner. The tradition of Indian knowledge has a great legacy in the fields of philosophy, medicine, astronomy, mathematics, literature, and art. It is a matter

of pride that efforts like the 'Gyan Bharatam Mission' are preserving and disseminating the creativity available in the Indian tradition. By giving emphasis to Indian languages and the tradition of Indian knowledge, we are providing a cultural foundation to our pursuit of self-reliance.

The Constitution of India is now available in all the Indian languages included in the Eighth Schedule. Reading and understanding the Constitution in Indian languages will spread constitutional nationalism among the people and strengthen their sense of pride.

Efforts have been made to achieve national goals through public participation over the past decade. Important national campaigns have been transformed into mass movements. Local institutions in every village and city have been made instruments of ushering in progressive change. Building Viksit Bharat is the shared responsibility of all citizens.

Dear fellow citizens,

Protection of the environment is a high priority today.

I am proud that India has steered the global community in many areas related to the environment. A lifestyle in harmony with nature has been a part of India's cultural tradition. This lifestyle is the basis of our message to the global community: 'Lifestyle for Environment', or 'LiFE'.

In our tradition, we have been offering prayers for peace to prevail in the entire universe. The future of humanity can remain secure only if there is peace in the whole world. In an atmosphere marked by conflicts in many parts of the world, India is spreading the message of world peace.

Dear fellow citizens,

I believe that Republic Day is an opportunity to further strengthen this strong feeling of patriotism. Let us all work together with the spirit of 'Nation First' and make our Republic even more glorious.

Once again, I extend my hearty greetings to all of you on Republic Day. I firmly believe that your life will be filled with happiness, peace, security, and harmony. I wish you all a very bright future.

## 'Vande Mataram'

**His Excellency Mr. Vinod K Jacob,  
Ambassador of India to Bahrain**

*I sincerely thank His Majesty, King Hamad Bin Isa Al Khalifa, His Royal Highness Prince Salman Bin Hamad Al Khalifa, Crown Prince and Prime Minister, the entire Royal Family, the Ministries and Departments of the Government of Bahrain and the friendly Bahraini society for their protection and support to the nearly 315000 Indian nationals living in the Kingdom.*

**I**want to wish the readers of The Daily Tribune on the occasion of the Republic Day of India, 2026. On this day in 1950, India, the new Constitution came into force commemorating the transition of the country into a Republic. The theme for this year's Republic Day celebration centres on the national song 'Vande Mataram' and the national initiative, 'Aatmanirbhar Bharat' or self-reliance. It may be recalled that Vande Mataram was written by Bankim Chandra Chatterjee in 1875 and captured the national mood and yearning for unity and self respect among all Indians in the fight against colonialism.

President of the European Council Mr Antonio Costa and President of the European Commission Ursula von der Leyen will be the Chief Guests for the Republic Day Parade 2026. Around 10,000 people from different walks of life are expected to witness the parade as Special Guests and 2,500 artists are scheduled to perform as part of the cultural performance. A Battle Array Format will be showcased by the Indian Army for the first time. Further, a total of 30 Tab-

leaux will roll down Kartavya Path as part of the parade.

This year's Republic Day is happening in the immediate aftermath of the International Monetary Fund raising its forecast for India's economic growth in fiscal 2026 by 0.7 percentage points to 7.3%, citing strong momentum. In its World Economic Outlook report released on 19 January 2026, the IMF said the upward revision for fiscal 2026 reflected "better-than-expected outturn in the third quarter of the year and strong momentum in the fourth quarter." A senior IMF official earlier told a press briefing that "India is a key growth engine for the world." In contrast, the Fund projected global growth at 3.3% in 2026.

Let me take this opportunity to convey heartfelt congratulations on the declaration of 2026 as the "Year of Isa Al Kabeer" by His Majesty King Hamad Bin Isa Al Khalifa, celebrating the visionary founder of the modern Bahraini state and his enduring legacy of stability and institutional development. I sincerely thank His Majesty, King Hamad Bin

Isa Al Khalifa, His Royal Highness Prince Salman Bin Hamad Al Khalifa, Crown Prince and Prime Minister, the entire Royal Family, the Ministries and Departments of the Government of Bahrain and the friendly Bahraini society for their protection and support to the nearly 315000 Indian nationals living in the Kingdom. In 2025, we introduced electronic visa system in 14 categories for ease of travel for Bahraini nationals. This

year also marks the 55th anniversary of establishment of Diplomatic Relations between India and Bahrain. I look forward to another productive year ahead in the bilateral relationship.

# India's Tourism Story in 2025: A Year of Growth, Innovation, and Global Appeal

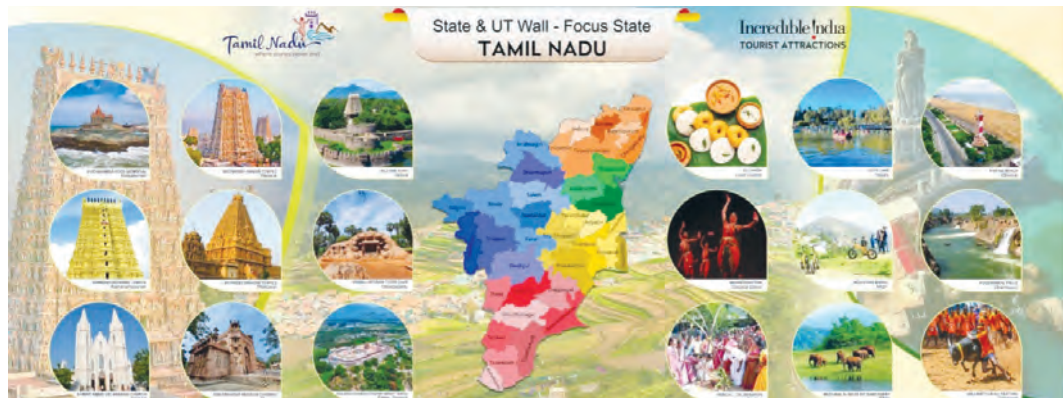

## India's Tourism in 2025: A National Snapshot

Manama

India entered 2025 with a tourism sector experiencing remarkable revival, supported by a blend of heritage conservation, modern infrastructure expansion and forward-looking policymaking. By August 2025, India recorded a combined total of over 3 billion tourist visits—domestic and foreign together—reflecting both strong internal demand and steadily rising international interest.

This momentum was reinforced by major initiatives such as Swadesh Darshan and Swadesh Darshan 2.0, which completed more than 100 projects across cultural, spiritual, coastal and tribal tourism circuits. Spiritual tourism also saw significant enhancement under the PRASHAD Scheme, which upgraded pilgrimage centres and improved accessibility for millions of visitors.

Domestic tourism remained a powerful driver of growth, encouraged by campaigns such as Dekho Apna Desh, which promoted lesser-known destinations through digital outreach, events and public engagement. India's global appeal continued to be shaped by its 44 UNESCO

World Heritage Sites from architectural icons like the Taj Mahal and Sun Temple of Konark to natural treasures such as the Western Ghats and Kaziranga National Park. As India's tourism sector strengthened its global standing, tourism diplomacy emerged as a crucial pillar of international engagement, and in this larger context, the Embassy of India in Bahrain played a pivotal role in deepening cultural and travel ties throughout the year.

### Deepening Tourism Ties Through Cultural Diplomacy

The year 2025 was especially significant for the Embassy of India in Bahrain, which undertook a series of impactful initiatives to promote India's tourism

potential and bring the cultural richness of its States and Union Territories directly to Bahraini audiences. These efforts reflected a broader national strategy to strengthen people-to-people connections and expand the presence of Indian cultural and travel opportunities in the Gulf region.

A central pillar of the Embassy's outreach was the Focus State/Union Territory Initiative, through which different Indian States and Union Territories were promoted across the year. The initiative also showcased the tourism attractions and One District One Product (ODOP) offerings of States and UTs such as Madhya Pradesh, Tamil Nadu, Bihar, Jharkhand, Andhra Pradesh, Telangana, Delhi, Uttarakhand and Hary-

ana. Through the inauguration of tourism and ODOP walls, the display of artisanal products, cultural programmes, digital campaigns and widespread public engagement, the Embassy transformed into a vibrant platform presenting India's diverse traditions, landscapes, craftsmanship and cuisines.

A major milestone in 2025 was India's decision to extend the electronic Visa (e-Visa) facility to Bahraini nationals across 14 categories. This policy shift significantly simplified travel for Bahraini visitors, whether for leisure, medical treatment, business engagements, cultural exploration or participation in conferences and events. The Embassy played a vital role in effectively communicating the expanded options, ensuring

broad public awareness and easy access to the enhanced visa system.

As part of these wider efforts, the Embassy also facilitated the Goa Tourism Roadshow in Bahrain, during which Ambassador Jacob highlighted India's readiness to welcome Bahraini travellers and noted the positive impact of the expanded eVisa facility reflected in a nearly 30% rise in visa issuances within four months of its introduction in July 2025. Building on this momentum, the Embassy will extend the Focus State initiative by promoting the tourism potential and ODOP offerings of Maharashtra and Goa in February–March 2026.

Youth engagement has become one of the Embassy's most meaningful achievements. The Visit Embassy Programme, which began in 2023, continued to flourish as a platform for cultural and educational exchange. Nearly six hundred students from more than thirty schools visited the Embassy, participating in interactive sessions that introduced them to India's tourism circuits, ODOP craftsmanship, Ayurveda and wellness traditions, and opportunities in higher education, as well as India's technological capabil-

ities. The programme sparked curiosity among young Bahrainis and expatriate students alike, strengthening cultural understanding and encouraging long-term engagement with India.

Together, these efforts made 2025 a year of meaningful, people-centred tourism diplomacy for the Embassy of India in Bahrain. Through cultural showcases, industry partnerships, youth outreach, and visa facilitation, the Embassy worked tirelessly to bring India closer to Bahrain and deepen bonds of friendship and mutual appreciation.

### A Shared Road Ahead

As India celebrates its 77th Republic Day in January 2026, the achievements of the previous year offer ample reason for pride. The growth of India's tourism sector and the Embassy's dynamic outreach in Bahrain reflect a shared spirit of co-operation, cultural exchange and openness. With strengthened partnerships, expanded travel opportunities and continued engagement, India looks forward to welcoming even more visitors from Bahrain to experience its extraordinary diversity where ancient heritage, modern innovation and heartfelt hospitality await.

# India and the Global South

Manama

India's relations with countries of the Global South have deep roots in shared histories, common struggles, and mutual aspirations for development and self-reliance. Over the years India's role has evolved from being a leader in the Non-Aligned Movement (NAM) to becoming a pivotal player in contemporary South-South co-operation.

India's partnership with the Global South was propelled to a new level by Prime Minister Narendra Modi when he organized the first Voice of the Global South Summit (VOGSS) on 12-13th January, 2023 within a few weeks of India taking over the Presidency of the G20. This Summit was followed by another later during the year and a third one in 2024.

In addition to articulating the interests, priorities and aspirations of the Global South through several VOGSSs and raising these issues at all relevant fora, India also "Walks the Talk" and extends all possible assistance to countries of the Global South.

India's role within the Global South is pivotal, leveraging its growing economic power, democratic framework, and strategic geopolitical positioning to advocate for equitable global governance.

India's development assis-

Ambassador Ashok Sajjanhar

tance programs to members of the Global South underscore its role as a partner in progress. Through the Indian Technical and Economic Cooperation (ITEC) program, India has provided training, capacity building, and technical assistance to over 160 countries. This program covers a wide range of areas, including healthcare, education, agriculture, and information technology, thereby contributing to human resource development in the Global South.

## The Policy of "Vasudhaiva Kutumbakam" (The World is One Family)

The spirit of "Vasudhaiva Kutumbakam" has served as the guiding philosophy of India's foreign policy for the last more than a decade. This policy witnessed its fullest expression dur-

ing India's Chairmanship of the G20 in 2023 when it adopted the motto of "One Earth, One Family, One Future" for its Presidency, and made sure that all decisions emanating from the deliberations fully reflected this commitment.

### Current Status

In recent years, India's "Global South" partnership has matured into a core pillar of its foreign policy. One of the most consequential achievements of India in its G20 Presidency was the inclusion of African Union, a body comprising 54 African countries, as a full-fledged member of the G20. This issue had been hanging fire for many years and it fell to India, with its commitment to the interests of the Global South, to bring it to fruition by evolving the requisite consensus on this important subject.

India has been able to significantly enhance its engagement with the Global South because its economy has grown significantly in recent years. When PM Modi assumed power in 2014, India's economy was the 10th largest in the world. Today it is the 4th largest with prognosis to emerge as the third largest by 2027. Today India is the fastest growing major economy with its GDP growth registering an impressive 8.2% in the last quarter. India is expected to grow from a US\$4 trillion economy today to more than US\$10 trillion by 2035.

India's increased economic strength has inter alia enhanced

its capacity to play a much more active role in global affairs and lend a helping hand in times of need to those in difficulty. During the Covid-19 pandemic, India supplied medicines and vaccines, most of them gratis, to several partners, particularly from the Global South. India provided medicines to more than 150 countries, and more than 300 million vaccine doses under its Vaccine Maitri (Vaccine Friendship) initiative to more than 100 countries. Because of its economic heft, India could come to the assistance of Sri Lanka to the tune of US\$4.5 billion when the latter's coffers were empty in 2022 and to the support of Afghanistan, Maldives etc. with financial support, food supplies and medicines when these countries had their backs to the wall. This has also enabled India to emerge as the First Responder in times of need and when calamities like earthquakes, floods etc. have struck in its neighbourhood and beyond.

### Key Pillars of Engagement

India's "Global South Partnership" today is defined by four distinct areas of cooperation:

A. Digital Public Infrastructure (DPI) & "The India Stack"  
India has moved from domestic achievements to global outreach.

B. Fintech Diplomacy:  
UPI (Unified Payments Interface) is now operational or in pilot stages across several Global South nations, including Namib-

ia, Sri Lanka, and parts of South-east Asia.

C. Social Impact Fund: India's \$25 million commitment to a Social Impact Fund helps smaller nations build their own digital identity (Aadhaar-like) and payment systems to promote financial inclusion.

D. Health & Pharmaceutical Leadership

Reaffirming its title as the "Pharmacy of the World," India has evolved from providing medicines and vaccines in the aftermath of the Covid-19 pandemic to building Health Resilience.

E. Generic Medicines: Providing affordable, high-quality generic drugs to nations in Africa and the Caribbean.

F. Regulatory Capacity: India is now actively training drug regulators in Global South countries to help them establish their own pharmaceutical safety standards.

G. The Global Development Compact

Proposed by Prime Minister Modi in late 2024, this compact focuses on:

H. Trade for Development: Reducing barriers for Least Developed Countries (LDCs).

I. Concessional Finance: Offering project-specific grants rather than the "debt-trap" loans often associated with some other major powers.

J. Climate Justice & Energy Transition

India champions the principle of "Common but Differentiated

Responsibilities" (CBDR).

K. International Solar Alliance (ISA): With 121 member countries, many of which are from the Global South, the ISA underscores India's commitment to addressing climate change and promoting renewable energy.

L. Mission LiFE (Lifestyle for Environment): India encourages a shift toward sustainable consumption, a narrative that resonates with developing nations that are not the primary cause of climate change but have to endure its worst effects.

India's geopolitical dynamics with the Global South have evolved significantly over the years, reflecting its growing economic power, strategic interests, and aspirations to be a major player on the global stage. India's proactive engagement with the Global South underscores its commitment to a multipolar world where developing nations have a significant voice in global affairs. Through sustained efforts in diplomacy, economic cooperation, and strategic partnerships, India is poised to play a pivotal role in the evolving dynamics of the Global South.

As both a leader and a partner, India continues to play a crucial role in shaping the future of the Global South. Through sustained cooperation, mutual respect, and shared aspirations, India and the Global South can collectively navigate the challenges and opportunities of the 21st century.

## Empowering NRIs to achieve their financial goals with LIC International

Manama

Since 1989, LIC International has been helping Non-Resident Indians (NRIs) secure their financial future through tailored insurance and savings solutions. In this special Republic Day interaction, Mr. Debashis Prasad Pattanaik, CEO & Executive Director of LIC International BSC, shares insights on the company's journey in the GCC, its growth in 2025 despite market volatility, and the role of trust and technology in serving the Indian diaspora.

### Operations of LIC International in Bahrain & Overseas Presence

LIC International began its GCC operations in 1989 with a clear goal: to provide NRIs with reliable, long-term financial solutions in US Dollar terms. Over the past 36 years, the company has established a strong and respected presence across the GCC, including Bahrain, offering life protection, savings, and retirement planning designed for expatriate lifestyles. Mr. Pattanaik emphasizes that their guiding principle has always been simple: help families stay financially secure, no matter where life or career takes them.

### Why Bahrain is a Key Market within the GCC

Bahrain is home to a vibrant Indian expatriate community and is recognised as a regional financial hub with strong regulation, transparency, and increasing digital adoption. For LIC International, Bahrain represents trust, scale, and long-term potential. All policies are denominated in US Dollars, enabling customers to

Debashis Prasad Pattanaik, CEO & Executive Director of LIC International BSC

plan confidently for education, retirement, and wealth transfer without worrying about currency fluctuations.

### Navigating Market Volatility in 2025

"Market volatility tests patience and discipline," says Mr. Pattanaik. In 2025, LIC International focused on long-term strategies rather than short-term reactions. Unit Linked Insurance Plans (ULIPs) were positioned around carefully considered asset allocations aligned with customer risk profiles and life stages. Policyholders were encouraged to stay invested, review allocations periodically, and avoid emotional decisions. This approach allowed the company to maintain sustainable growth even in uncertain market conditions.

ULIPs combine life protection with market-linked growth potential. For NRIs, they offer the opportunity to build wealth in US Dollars while enjoying insurance coverage, supporting key goals such as children's overseas education, retirement planning, and smooth wealth transfer to the next generation.

### The Role of Digital Innovation

Digital innovation has made financial planning more acces-

sible and transparent. In 2025, LIC International enhanced digital onboarding, online policy servicing, fund performance tracking, and customer communication, allowing policyholders to manage their policies from anywhere. Looking ahead, the company plans to leverage AI to further simplify access to products and services. "Technology strengthens relationships by improving clarity, speed, and reliability," Mr. Pattanaik notes.

### Social Media as an Engagement Tool

Social media has become a powerful platform for education and engagement. LIC International uses structured social media initiatives to reach the right audience, promote financial literacy, and connect with younger NRIs who prefer digital-first communication.

### Trust: The Cornerstone of LIC International

NRIs plan their finances across countries, regulations, and currencies. They look for institutions that will honour commitments decades into the future. LIC International's 36-year overseas legacy provides that confidence. Trust is earned through consistency, transparency, and dependable service—it cannot be built overnight.

### Republic Day Message

On this proud occasion, Mr. Pattanaik extends warm Republic Day greetings to all Indians living in Bahrain, GCC and across the world. "Let us reaffirm our commitment to our motherland by contributing positively wherever we are, preserving India's rich heritage, and working towards a stronger future for generations to come. Jai Hind!"

# From many hearts, one Republic

**James John, Hon. President, Kerala Catholic Association**

Let us renew our commitment to unity, patriotism, and shared progress

Republic Day is a moment to reflect on the values enshrined in our Constitution—justice, liberty, equality, and fraternity—which continue to guide India as a vibrant and inclusive democracy. This year's celebrations are particularly meaningful as we commemorate 150 years of "Vande Mataram," a song that embodies the spirit of India's freedom struggle and continues to inspire unity, patriotism, and national pride across generations.

This year, we also mark 55 years of diplomatic relations between India and the Kingdom of Bahrain, a

relationship founded on mutual respect, friendship, and cooperation. Over the decades, these ties have grown stronger through robust people-to-people connections, cultural exchanges, and economic collaboration. The Indian community in Bahrain has played a significant role in strengthening this bond by upholding Indian values while contributing positively to the social and economic development of the Kingdom.

Indian social and cultural associations have been central to this journey, fostering unity, preserving heritage, and nurturing a strong sense of belonging among the diaspora. In

this context, the Kerala Catholic Association, which has been serving the community since 1970, has consistently been at the forefront, steadfastly committed to promoting cultural harmony, social service, and unity in diversity—values that resonate deeply with the spirit of our Republic.

As we celebrate this Republic Day, let us renew our commitment to unity, patriotism, and shared progress.

On the proud occasion of the Republic Day of India, I extend my warm greetings and heartfelt wishes to all Indians, and especially to the esteemed readers of The Daily Tribune & News of Bahrain. Jai Hind.

**Mahendra A. Bhatia, Hon. Secretary, Thattai Hindu Community (THC), Manages Shrinathji Shri Krishna Temple**

This Republic Day, as we reflect on the values enshrined in our Constitution and celebrate 150 years of the composition of Vande Mataram, our hearts are filled with myriad emotions - pride in our heritage, joy in our cultural tapestry and quiet confidence in our future.

Our heartfelt gratitude to Shri Bankim Chandra Chatterji for creating Vande Mataram, which is more than a poetry; it is a heartfelt salutation to

our Motherland, symbolizing India's natural beauty and cultural richness, the unity and collective resolve of the people to face any challenges and reverence for our Dharti Maa that has nurtured diverse cultures and traditions.

As members of the Indian diaspora in the Kingdom of Bahrain, these values travel with us across generations. The Indian community has consistently contributed positively to the Kingdom, which is their 'second home' in vari-

ous fields. On a personal note, our Shrinathji Shri Krishna Temple is not just a place of worship, but also a place of service, where compassion, mutual respect and community upliftment form the core values.

On this patriotic occasion, may the essence of Vande Mataram guide us to deepen our unity and serve humanity with selfless dedication. We wish all our Indian brothers and sisters a Happy Republic Day. Jai Hind, Vande Mataram!

Vande Mataram - What it means for the Indian Diaspora in Bahrain

**Nirmala V Rajan, President, Indian Fine Arts Society**

**Tiranga in Our Hearts, Progress in Our Actions**

As we celebrate Republic Day in 2026, a fitting slogan celebrating unity, progress, and heritage is: One Nation, One Dream: Rising Together for a Stronger India. This theme reflects the ongoing journey towards a developed, self-reliant nation while honoring the sacrifices that secured its freedom. It also is a reminder of the values of justice, equality and liberty that define the country.

United We Stand, Developed We Rise: India's cultural heritage is un-

derpinned by righteous way of life and treating the world as one large family. This allows us not only to look at ways to grow and develop in a friendly and conducive manner, but also allows for fostering friendly relationship and cooperation with a multitude of countries.

One of India's famous legacy is its rich fine arts, music and culture. Indian Fine Arts Society, established in 1974, is one of the oldest associations promoting India's fine arts, music, and culture in Bahrain for more than 50 years by bringing several

world-renowned and distinguished artists from India. This has allowed both the Indian diaspora and other nationals (including Bahrainis) to appreciate and partner with IFAS in promoting the same. As we enter 2026, we pledge to continue bringing We request Indians to continue supporting such activities in the future also.

Our Freedom is not a historical event, it is Honouring the Past, Building the Future, is about passing this legacy forward — giving young people opportunities to learn,

perform, and grow through music, dance, and the arts. Each performance, workshop, and cultural exchange becomes a bridge between generations, deepening roots while broadening horizons.

As India marks its Republic Day, we reaffirm our mission: to keep our culture vibrant, make it accessible to all, and ensure the freedom we enjoy today becomes the foundation for the artistic dreams of tomorrow — in Bahrain, and beyond.

Jai Hind!!!Vande Mataram!

**Smitha Jensen, President, Indian Ladies Association (ILA)**

Homage to the sacrifices made by our forebearers

On this historic day, let us pay homage to the sacrifices made by our forebearers and honor the dreams they envisioned for a free and thriving India. As we celebrate 150 years of Vande Mataram, let it echo as a reminder of our duty to contribute to our nation's growth wherever we may reside.

Each one of us plays a crucial

role in shaping the future, and together, we can uphold the dignity and glory of our Country.

As we celebrate our diversity, let us stand united in our commitment to work towards a nation where every citizen can flourish.

Wishing everyone a proud and joyous Republic Day!

JAI HIND!

**Yatin Shingare, President, Maharashtra Cultural Society**

It is a moment of profound pride as we mark the historic 150th anniversary of our national song, 'Vande Mataram'. Penned by Bankim Chandra Chattopadhyay, this hymn was not merely a song but a mantra that ignited the flame of independence and united millions under a single vision of freedom.

Today, as we reflect on this year's theme, we are reminded

that 'Vande Mataram' is more than lyrics; it is an enduring spirit of unity and selfless love for the motherland. It teaches us that our identity is rooted in our shared heritage and our collective strength.

Here in the Kingdom of Bahrain, thousands of miles from our motherland, this spirit remains vibrant. The Indian community, and particularly our Maharashtra family, continues to uphold

these values by serving as ambassadors of peace and hard work. By contributing to the growth of this beautiful Kingdom while preserving our rich culture, we honor the true essence of patriotism—respect for the land we come from and the land that sustains us.

Let us renew our pledge to serve both our nations with dedication and harmony.

Vande Mataram! Jai Hind.

Let us renew our pledge to serve both our nations with dedication and harmony

# Trump's envoys press Israel to reopen key crossing into Gaza

AFP | Washington

US envoys Steve Witkoff and Jared Kushner urged Israeli Prime Minister Benjamin Netanyahu to reopen the Rafah crossing between Gaza and Egypt during talks in Jerusalem, Israeli media reported yesterday.

The reports came after a newly appointed administrator for Gaza said Thursday that the crossing would be operational in both directions next week.

Israeli news site Ynet reported, citing an unnamed Israeli official, that while the meeting between Netanyahu, Witkoff and Kushner was "positive", Witkoff pressed Israel to reopen Rafah even before Hamas returns the remains of the last Israeli hostage believed to be held in Gaza.

According to the official, Witkoff also raised the possibility of Turkey playing a role in Gaza's future.

"Witkoff pushed to bring our greatest rival, Turkey, to our border," the official was quoted as saying.

"The clock is ticking toward a confrontation with Turkey, which would pose a real threat to our security."

The official also accused Witkoff of acting on behalf of Doha, saying he had "become a lobby-

A Palestinian man walks amid destroyed buildings in Khan Yunis, in the southern Gaza Strip

ist for Qatari interests", according to Ynet.

When asked to confirm the Israeli media reports, Shosh Bedrosian, spokeswoman for Netanyahu's office, told AFP that she would look into the matter.

Netanyahu has repeatedly rejected any Turkish role in post-war Gaza, despite US President Donald Trump having invited President Recep Tayyip Erdogan to join his so-called "Board of

Peace".

Relations between Israel and Turkey have deteriorated since the war in Gaza broke out in October 2023 following the Hamas attack on Israel.

Reopening Rafah forms part of a Gaza truce framework announced by Trump in October, but the crossing has remained closed after Israeli forces took control of it during the war.

However, Ali Shaath, ap-

pointed to head a committee of 15 Palestinian technocrats tasked with overseeing Gaza's day-to-day administration, said at the World Economic Forum on Thursday that the gateway would reopen next week.

The crossing is a key entry point for humanitarian aid to Gaza's 2.2 million residents.

"For Palestinians in Gaza, Rafah is more than a gate, it is a lifeline and a symbol of oppor-

tunity," Shaath said.

Israeli officials are under pressure from the family of the last hostage whose remains are still in Gaza. Of the 251 people seized during the Hamas attack of October 7, 2023 that triggered the war, only the body of Ran Gvili remains in the territory.

"We ask that the prime minister of Israel make clear to the respected American envoys that anyone who truly seeks to advance the rehabilitation of Gaza and peace in the Middle East must first and foremost bring Rani home," Gvili's family said in a statement ahead of Netanyahu's meeting with the US officials.

## American daredevil free-climbs Taiwan's tallest building

US rock climber Alex Honnold raises his arms from the top of the Taipei 101 building

AFP | Taipei

An American climber took on Taiwan's tallest building yesterday, becoming the first person to scale Taipei 101 without a rope, harness or safety net.

Hundreds of spectators gathered at the base of the 101-storey tower to watch Alex Honnold, 40, embark on his daredevil feat, which was also broadcast live on Netflix.

After an hour and a half, he successfully made it up 1,667 feet (508 metres) before triumphantly rappelling down to reunite with his wife, Sanni McCandless Honnold.

Speaking at a press briefing afterwards, Honnold said "time is finite", and people should "use it in the best way".

"If you work really hard... you can do hard things," Honnold added.

Honnold has conquered some of the world's most intimidating rock faces and rose to global fame in 2017 after he climbed Yosemite's "El Capitan", lauded among his peers as the pinnacle of technical difficulty on the massive gran-

ite monolith.

It had always been a dream of Honnold's to add scaling Taipei 101 to his list of achievements he told reporters, adding that his first request had been rejected. He did not offer more details about why this was the case.

"For the project to come together more than a decade later... It's so great. What an opportunity, it is such a pleasure," he added.

Honnold is the first person to free solo climb Taipei 101, without a rope, harness, or safety net, but not the first to reach its peak.

In 2004, Alain Robert, dubbed "the French Spiderman", was the first to take on the challenge, but used safety ropes because of the rainy conditions.

Yesterday's spectacle drew crowds of hundreds, with onlooker Richard Bode, 34, calling the event a "once-in-a-lifetime experience."

Benson, 24, told AFP that Honnold was "incredibly brave", while others, like Lin Chia-jou, 54, said it was "terrifying" to watch.

## Second killing in Minneapolis by US federal agents sparks uproar

A photograph of 37-year-old Alex Pretti can be seen at a makeshift memorial in the area where he was shot dead by federal immigration agents

AFP | Minneapolis

The killing of a US citizen by federal immigration agents on Saturday -- the second in Minneapolis this month -- sparked new protests and impassioned demands by local leaders for the Trump administration to end its operation in the city.

Federal agents shot dead Alex Pretti, a 37-year-old ICU nurse, while scuffling with him on an icy roadway, less than three weeks after an Immigration and Customs Enforcement (ICE) officer shot and killed Renee Good, also 37, in her car.

The Trump administration quickly claimed, as it did after Good's death, that Pretti had intended to harm the federal

agents, even as video of the incident appeared to contradict their account.

The Department of Homeland Security (DHS) pointed to a pistol and ammunition it said was discovered on Pretti.

"He was there to perpetuate violence," Homeland Security Secretary Kristi Noem told a briefing, while White House deputy chief of staff Stephen Miller referred to Pretti as an "assassin," in a post amplified on X by Vice President JD Vance.

However, as with Good's death, cell phone footage of the incident raised serious questions about the federal government's description of the incident.

Video aired widely by US media, which AFP has not verified,

shows Pretti filming agents in the snow-lined street and directing traffic.

After an agent shoves a woman protester to the ground on the sidewalk, Pretti steps in between them and is sprayed in the face by a chemical irritant.

The agent then pulls Pretti to the ground and several officers struggle to detain him on the icy roadway.

Seconds later, as an officer apparently discovers and pulls a gun from Pretti's pants, agents open fire, also shooting his motionless body several times from a distance.

Pretti's parents in a statement circulated by US media called him a "kindhearted soul" and accused the Trump administration of telling "sickening lies" about their son.

# Korneeva wins inaugural Manama Open title

TDT | Manama

Russia's Alina Korneeva captured the first Manama Open women's tennis title after defeating France's Fiona Ferro 6-4, 6-0 in a commanding final on the courts of the Officers Club at the Interior Ministry.

Korneeva edged a tightly contested first set marked by frequent service breaks, using her powerful serve and precise groundstrokes to secure a 6-4 lead before completely dominating the second set 6-0 to seal the victory.

The tournament was hosted by the Bahrain Tennis Federa-

Winner Alina Korneeva and runner-up Fiona Ferro with officials after the awarding ceremony

tion in highly competitive conditions, with both players showcasing a high level of play in the opening set before the Russian raised her intensity and physical presence to close out the match.

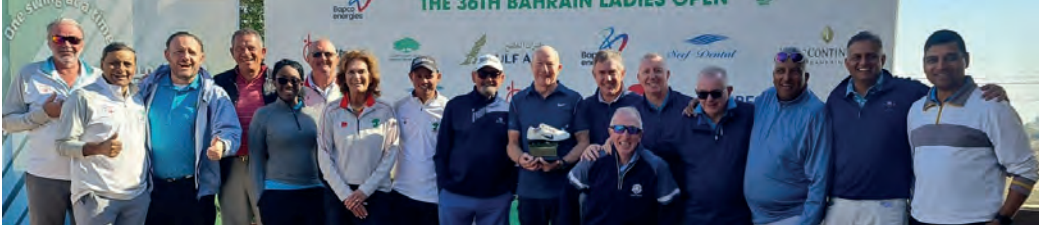

Following the final, Bahrain Tennis Federation president Sheikh Abdulaziz bin Mubarak Al Khalifa and vice-president Sheikh Khalid bin Rashid bin Abdullah Al Khalifa presented the trophies to the players, in the presence of Sheikh Salman bin Ahmed bin Mohammed Al Khalifa and tournament referee Dr Ashraf Hammouda.

Sheikh Abdulaziz hailed the

technical standard of the inaugural event, saying that hosting such international tournaments strengthens Bahrain's position on the global tennis map and supports the federation's ambition to make the kingdom a regional destination for major tennis competitions.

Korneeva expressed her delight at lifting the title, describing the final as one of her toughest matches in recent competitions and praising Ferro as a distinguished opponent, while thanking the organisers for their warm hospitality and "excellent organisation" and hoping to return for future editions of the Manama Open.

## Awali Golf Club retains Green Brown Trophy after dramatic draw

TDT | Manama

Awali Golf Club retained the Green Brown Challenge Trophy after a tense 5.5-5.5 draw with The Royal Golf Club in their annual matchplay contest, a unique event that pits sand browns against grass greens.

The competition, conceived in 2011 by Awali captain Ste-

ve Newall and former Royal captain Ed Daly, features pairs matches over 18 holes split between the two courses. Long dominated by The Royal, the rivalry shifted in recent years after Awali claimed victories in 2024 and 2025, making a win or draw sufficient to hold on to the trophy.

This year's encounter saw 22 players from both clubs in

a closely fought battle, with The Royal racing into a 4.5-2.5 lead before Awali mounted a late comeback to level the contest.

After The Royal edged a match on the final hole, the outcome hinged on the last pairing, where Newall and Darren Harris secured a decisive victory to seal the draw and ensure Awali's retention of the cup.

## Bahrain's warriors march on despite defeat

### National Team Books Place at 2027 Worlds Despite Saudi Victory

Hussain Almaskati  
TDT | Manama

Bahrain's handball team showed poise under pressure in the final main-round match against Saudi Arabia yesterday in Kuwait City. Despite a 23-21 defeat, the national squad advanced to the semi-finals of the 22nd Asian Men's Handball Championship and secured qualification for the 2027 IHF Men's Handball World Championship in Germany, marking the Kingdom's eighth appearance in the global showpiece.

The match at Sheikh Saad Al Abdullah Al Salim Al Sabah Hall opened at a brisk pace, with Saudi Arabia striking first. Captain Hussain Al Sayyad, drawing on his experience in the Saudi league with Al Khaleej, quickly leveled the score and guided Bahrain's attacks. Qassim Qambar and Mohammed Habib combined effectively on fast breaks, while goalkeeper Mohammed Abdulhussain made crucial saves to keep Bahrain in contention.

Momentum swung several times in the first half. Al Sayyad served a two-minute suspension, giving Saudi a brief edge, while Saudi's Mohab Khulaif was later sent off for injuring Bahrain's Salman Alshowai-

Bahrain's skipper Al Sayyad struggles to break free from Al Hassan

kh, leaving Saudi temporarily one player down. During this tense spell, coach Robert Hedin made key adjustments to stabilize Bahrain's defense, while Saudi coach Dimitrios Dimitroulias countered with aggressive transitions and accurate seven-metre shooting. Bahrain responded each time, equalizing repeatedly and carrying an 11-10 lead into halftime.

The second half remained intense. Al Sayyad orchestrated Bahrain's play, including a long-range assist to Jassim Khamis, who struck into an empty net to make it 19-17. The Saudis then

rallied in the closing minutes, with a decisive seven-metre strike from Mohammed Al Abbas, who was named man of the match and awarded by Ali Mohammed Isa Abdulla Eshraqi, President of the Bahrain Handball Federation and Vice President of the Asian Handball Federation.

Al Sayyad finished with six goals and four assists, while Abdulhussain's saves were pivotal. For Saudi, Al Abbas scored seven goals, including a perfect 6/6 from seven metres, complemented by Furaij Hussien's fast-break strikes.

## Bahrain's Mohammed Almoudweb elected to International Sport for All Federation board

TDT | Manama

Mohammed Almoudweb has been elected to the Board of Directors of the International Sport for All Federation (FISPT) for the 2026-2030 term, marking a significant milestone for regional representation in the global sporting community. The election took place during the federation's general assembly in Civitanova Marche, Italy, which saw robust participation from international delegates and sports organizations.

In a dual achievement for the region, Almoudweb was also appointed as the Assistant Secretary-General and the official representative for Asia and the Middle East. This strategic appointment is expected to strengthen the bridge between the international body and sporting initiatives across the Asian continent, fostering greater collaboration in "sport for all" programs designed to increase physical activity and community engagement.

## Djokovic, Alcaraz into Melbourne last eight as next gen roars

AFP | Melbourne

Carlos Alcaraz powered into the Australian Open quarter-finals yesterday and Novak Djokovic joined him without hitting a ball, as the next generation roared.

Aryna Sabalenka surged through but Coco Gauff was forced to fight at Melbourne Park, where temperatures eased to 22C after the brutal heat of a day earlier.

Top seed Alcaraz was in ominous touch at Rod Laver Arena, dismissing the American Tommy Paul 7-6 (8/6), 6-4, 7-5 in a masterclass.

The 22-year-old plays home

Spain's Carlos Alcaraz hits a return against USA's Tommy Paul

hope and sixth seed Alex de Minaur, who defeated 10th seed Alexander Bublik in straight sets.

Djokovic, chasing a record

25th Grand Slam crown, was scheduled to face Jakub Mensik in the last 16 on Monday but the Czech player pulled out injured.

Djokovic will face American ninth seed Taylor Fritz or fifth seed Lorenzo Musetti of Italy for a place in the semi-finals.

Alcaraz, who like Djokovic is yet to drop a set at this year's tournament, has never gone beyond the quarter-finals in Melbourne.

If he can finally break his Australian duck he will become the youngest man in history to win a career Grand Slam of all four majors.
