Toyota Bahrain Strengthens Engagement with Youth Through Sport City Partnership

TDT | Manama

Toyota Bahrain, part of Ebrahim Khalil Kanoo, strengthened its engagement with Bahrain's youth through its partnership with Sport City, held as part of Youth City 2030 during the six week summer program.

The partnership gave Toyota Bahrain an opportunity to connect with young people in an environment centered around sport, activity and competition. Basketball was a key part of Toyota's presence, with participants taking part in activities that encouraged teamwork, skill development and healthy competition.

Toyota Bahrain's involvement reflects its continued efforts to engage with the community through initiatives that are relevant to the interests and lifestyles of younger generations. By supporting platforms that bring young people together, Toyota aims to create meaningful experiences that extend beyond traditional brand engagement.

Throughout the program, Toyota Bahrain maintained a visible presence across Sport City, complemented by giveaways and prizes for participants that added to the overall experience and encouraged further interaction with the brand.

Through its partnership with Sport City, Toyota Bahrain continues to build its connection with the community by supporting activities that promote an active lifestyle, teamwork and personal development, while creating opportunities to engage with the next generation in a setting that is both relevant and enjoyable.

Red Crescent Welcomes New Volunteers

TDT | Manama

The Bahrain Red Crescent Society (BRCS) has welcomed its newest volunteers through an interactive workshop aimed at helping them understand how their values, skills and personal motivations can contribute to humanitarian service.

Held at the society's headquarters in Manama, the "Our Mission: Answering the Call" workshop formed part of BRCS's volunteer induction programme. It encouraged participants to reflect on their reasons for volunteering, identify the contributions they hope to make and explore roles that match their interests and strengths.

The session was delivered by Iman Al Khajah, Capacity Building Specialist at BRCS, under the supervision of Adel Al Jar, Board Member and Assistant Secretary-General for Committees Affairs.

The workshop included practical discussions and activities covering leadership, teamwork and essential relief knowledge to help new volunteers respond confidently and responsibly when humanitarian needs arise.

Participants were also introduced to the values of humanitarian action and the Fundamental Principles of the International Red Cross and Red Crescent Movement, providing a foundation for their involvement in BRCS programmes and initiatives.

BRCS said effective volunteering begins with a clear sense of purpose, noting that understanding individual motivations helps volunteers choose roles where they can contribute most effectively, develop their capabilities through experience and maintain a long-term commitment to serving others.
