I did not assault women: Morgan Freeman

Legendary actor Morgan Freeman, who has been accused of sexual harassment by eight women, has said he did not create "unsafe work environment" and he did not "assault women".

The statement read: "I am devastated that 80 years of my life is at risk of being undermined, in the blink of an eye, by Thursday's media reports."

"All victims of assault and harassment deserve to be heard. And we need to listen to them. But it is not right to equate horrific incidents of sexual assault with misplaced compliments or humour.
